Dear Mr. Stannard:

The Department of Transportation (Caltrans) received a bid from Teichert Construction (Teichert) on the above referenced contract on November 17, 2015. Teichert listed Construction Area Signs, Inc. to perform 100 percent of the work described as Bid Item 35 (Object Marker-Type L-1) and also listed Frank Medina to perform 100 percent of the same item of work.

Public Contract Code Section 4106 States in pertinent part:

"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractor's bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself."

If Teichert is awarded Contract 03-4F0204, it must perform Bid Item 35 with its own forces.

The Resident Engineer will receive a copy of this letter for Contract Administration and Compliance.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
