**Re: Response to protest from Gordon N. Ball regarding 03-4F3404 – NEV and PLA I80 – Kingvale  
Bid Date: 10/15/14 @ 2PM**

Gordon N. Ball protest alleges that Teichert listed Veridico on its DBE Commitment Form, but failed to attach Veridico's quote. Gordon N. Ball further alleges that instead of attaching the relevant quote, Teichert attached a quote for a different project.

Teichert Construction did attach the relevant quote from Veridico for this project and is the low responsive bidder. Attached is the emailed quote that was received from Veridico the day before the bid. As shown, the subject line and that name of the attachment are both the proper job number 03-4F3404. In addition, the item numbers, item codes, item descriptions, units of measure, and quantities are also all correct and matching. Furthermore, on the second page of Veridico's quote, Item 3 under "Assumptions" references the correct amount of working days.

We also called Mr. Tim Anenson, with Veridico, to not only see if we could split up the bid items, but to make sure that this was the proper quote for this project as well prior to bid time. Tim Anenson with Veridico confirmed, prior to bid, that this quote was the proper quote for 03-4F3404, and the label of 06-0E6804 was a clerical error.

Teichert is the lowest responsive and responsible bidder on Contract No 03-4F3404, and Caltrans should proceed with award of this contract to Teichert.

We have also attached an email from Mr. Tim Anenson with Veridico confirming what we have stated above.

If you have any questions I can be contacted at [estannard@teichert.com](mailto:estannard@teichert.com) or (916) 645-4855.

Sincerely,  
Teichert Construction

Eric Stannard

**Subject:** FW: CALTRANS BID ITEM QUOTE - 03-4F3404  
**Attachments:** 03-4F3404.pdf

Jason,

I am forwarding the Caltrans bid solicitation we responded to for project 03-4F3404 where we inadvertently sent a quote with the wrong project number and description on our attached PDF to bidding primes. As you correctly interpreted, the bid was actually for Caltrans project 03-4F3404 as indicated on the transmittal email subject line and the PDF file name. Also, the bid item numbers we quoted were correct for the line item breakdown provided by Caltrans for the subject job, as was the indicated duration. We confirmed the correct Caltrans project number with you by phone on the day of the bid but did not send a revised quote.

The attached bid item quote was sent to the following primes, in addition to yourselves, whom were seeking quotes for the work and also received the erroneous PDF:

- Granite Construction
- Gordon Ball
- RGW Construction
- Sierra Nevada Construction

We apologize for the confusion and any bid complication our error may have caused. I am available any time if you have questions or require additional information regarding the matter.

My Very Best Regards,

Tim
