Dear Mr. Johnson:

The California Department of Transportation (Caltrans) received a bid from On Grade Contracting (On Grade) for contract 03-4M0804 on February 26, 2013. On Grade failed to sign and date the bid proposal and acknowledge Addendum 1, dated February 15, 2013, on page 2 of the bid proposal.

Caltrans considers the authorized signature as binding the contractor to the terms of the agreement. Furthermore, a bidder's failure to acknowledge a material amendment to the contract renders its bid nonresponsive unless the bidder provides documentary evidence that it considered and agreed to be bound by the requirements of said addendum.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
