Dear Ms. Nason:

The Department of Transportation (Caltrans) received a bid submitted by Kecia Pipeline, Inc. (Kecia Pipeline) for Contract 03-4M4604 on April 16, 2015. Caltrans notifies Kecia Pipeline that its bid is nonresponsive because Kecia Pipeline did not comply with the Contract Revised Standard Specifications, Section 2-1.34, Bidder's Security, which states in part:

"...If using a bidder's bond, you may use the form in the Bid book. If you do not use the form in the Bid book, use a form containing the same information."

Kecia Pipeline did not submit a properly executed bidders bond at time of bid, with an All Purpose Acknowledgement and a notarized signature for Western Surety's representative, Carley Espiritu.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder, provide that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".
