Subject: 2nd Protest of Bid

Gentlemen,

Western Structures would like to submit a protest of the DVBE submittal from Truesdell Corp. for the above referenced Project.

The bid turned in by the Truesdell Corp, listed Titan DVBE, bid item No. 4 for the dollar amount of \$14,500.00, it was not mentioned or listed as a partial, but this item obviously being a partial should have complied with note No. 2. The DVBE submittal form DES-OE-0102.5 dated 04-03-2013 submitted by Truesdell Corp. does not describe the exact part, or the planned location of the work to be performed by Titan DVBE, as required by note #2 of the DVBE Summary Form DES-OE-0102.5.

The heading on Column directs you to note number 2, which state; *"If 100% of an item is not performed or supplied by the DVBEs, describe the exact part, including the planned location of work to be performed, of item to be performed or supplied by DVBE."*

Western Structures feels that Truesdell Corp. Did not comply with the DVBE Submittal Form listed above, and should be considered non-responsive.

Western Structures would appreciate your prompt consideration and attention to this matter.

Sincerely,

Wolfgang Dalgas Sr.
Estimator
