**PAYMENT IS DUE UPON COMPLETION AND PAST DUE AFTER THIRTY (30) DAYS FROM INVOICE DATE.**

The Customer agrees to pay late charges on any billings not paid when due, from the due date until paid, at the rate of 18% per annum or the maximum rate allowed by law, whichever is less.

If a project is of longer duration (more than 30 days), Cal Electro, Inc. (CEI) shall receive progress payments monthly in proportion to the amount of work completed. In order to receive progress payments, CEI will furnish the customer a schedule of values for the contract agreement work items. Within Ten (10) days after Customer receives a statement from CEI setting forth the proportionate part of the work which CEI estimates shows to have been earned during the period covered by such statement, Customer will pay to CEI the amount set forth by such progress statement. The Customer may elect to hold a retainage of up to 10% of the value of the work performed as security until all work has been completed. Retainage will become due thirty five (35) days after final completion of the work performed for the project.

Upon satisfactory payment being made for any portion of the work performed, if requested, CEI shall furnish a full and unconditional release from any claim or mechanic's lien for that portion of the work for which payment has been made.

In the even payment is not made to CEI at the times and in the amounts provided for in this agreement, CEI may, upon three (3) working days give written notice to elect to suspend work until payment on the amount owing has been received. If this occurs CEI's time for performance shall be extended appropriately and its reasonable costs of shut down, delay and start-up shall be paid and the contract adjusted accordingly.

Prior to commencement of work, Customer shall furnish CEI with written confirmation from the lender or bank that sufficient funds have been committed and will be available to make payments called for under this agreement. Furnishing this written confirmation to CEI to act is a condition precedent to the obligation of CEI to perform under this agreement. This provision is solely for CEI protection and shall not limit CEI right to receive payment for its work without, or prior to receipt of the written confirmation.
