RE: Disabled Veterans Business Enterprise (DVBE) Number 28256

Dear Mr. Wells:

This letter is regarding the review conducted by the Department of Transportation (Caltrans) Contract Evaluation Unit (CEU) staff on May 17, 2012. Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing trucking services on Caltrans projects. Your Trucking Profile with the Department of General Services (DGS) lists the following Keywords:

<p>Tractor, Trailer, End Dump, Bottom Dump, Road Construction, Construction Equipment, Water Truck Dust Control</p>
--

Since we have determined your firm is providing a CUF for the specified classifications listed above, the DVBE credit can ONLY be granted to the aforementioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For any remaining services listed on your DVBE certification, no documentation or evidence has been provided to demonstrate that you perform, manage, or supervise the work involved.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

If you have questions or need further assistance or clarification, please contact CEU at (916) 324-1700.

Sincerely,

JANICE SALAIS
