Teichert Construction intends to work cooperatively with all qualified firms seeking work on this project, including but not limited to breaking out contract work items into economically feasible units to increase overall DBE participation.

Requirements: Plans and specifications are available from the Caltrans website, http://www.dot.ca.gov/hq/esc/oe/weekly_ads/index.php and the Teichert Woodland Estimating office. For assistance obtaining or regarding the plans and specifications, please contact the listed Estimator. 100% Payment and Performance Bonds for subcontractors are required. Teichert will pay bond premium up to 2%. Insurance Waiver of subrogation also required. However, certified DBE's are encouraged to contact Teichert and request assistance if they are unable to meet Teichert's standard bonding or insurance requirements. DBE's also are encouraged to contact Teichert for assistance in obtaining lines of credit, equipment, supplies, materials or related assistance or services. Subcontractor, Supplier and Trucker quotes must be valid, at minimum, for the award period stated in the contract documents. Please note that this is a prevailing wage project and Teichert Construction is Union signatory. Subcontractors will be subject to the terms and conditions of Teichert's subcontract and safety documents available at www.teichert.com/for-subcontractors.cfm. Submission of a bid to Teichert will confirm that you have reviewed and accepted Teichert's subcontract form. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing prior to bid. Subcontractor scopes and supplier quotes are required 24 hours prior to bid. Additional information and or assistance to DBE's available from Sean Heraty.
