Subject: SFOBB Maintenance Building - Bidding Qualifications
Attachments: Taber Prebid Meeting Representative.pdf

Earl,

Thanks for speaking with me earlier about the DVBE participation, and verifying that you will indeed be reviewing that before the issuance of award in a few days. I also wanted to note something that I found while reviewing the requirements to bid, and I found that in the special provisions, Section 2-1.03 MANDATORY PREBID MEETING states that for attendance at the prebid meeting, "the bidder's representative must be a company officer, project superintendent, or project estimator." I looked at Taber's attendance list, and it states that Tyler Competente was the attendee. Looking online I found that Tyler Competente is not a company officer, a project superintendent, or an estimator for the project; he is a project engineer for the company who has been at Taber for about 8 months. Please see the attached file documenting what I found, and please advise how this will affect the award.

Thanks,

Josh Ward, Vice President
