Dear Mr. Ward:

The Department of Transportation (Caltrans) received a bid from Sausal Corporation (Sausal) for contract 04-014104 on June 24, 2014. Caltrans notifies Sausal that its bid is nonresponsive because of improper changes made to the Subcontractor List form.

The Subcontractor List form states in part, "...*Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid.*" No other revisions to the form are permitted.

On bid day Sausal provided a work description to be performed by Synergy as "Earthwork". However, on the 24-hour Subcontractors List form submitted on June 25, 2014, Sausal included Class 3 Aggregate Base, Hot Mix Asphalt (Type A) and Liquid Asphalt (Prime Coat), (bid Items 49, 50 and 51). It therefore appears, on the face of the bid, that Sausal enlarged the scope of work to be performed by Synergy between bid day and the 24-hour bid submission. In addition, on bid day, Sausal identified Sun Terra Solar to perform work described as PV System and identified Vortex to perform work described as Piling. On the 24-hour submittal, Sausal omitted Sun Terra Solar and its associated work and changed the subcontractor from Vortex to Stroer & Graff to perform work described as Piling. These changes constitute an improper change to the Subcontractor List form.

Caltrans has therefore determined that the bid submitted by Sausal is nonresponsive and will proceed to award this contact to the lowest responsive and responsible bidder, provided that all requirements have been met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.
