B.O. 03/26/2013

Dear Ms. Crain:

The Department of Transportation (Caltrans) received a bid from Suulutaaq, Inc. (Suulutaaq) on contract 04-0A0904 on March 26, 2013. Suulutaaq listed on its Subcontractor List the following inconsistencies regarding performance of work: CMC Traffic Control (100%) and Chrisp Company (100%) to perform bid item 15, Traffic Control Systems; R.E. Serrano, Inc. (100%) and Midstate Barrier (100%) to perform bid item 77, Concrete Barrier (Type 60C); Conco Reinforcing (100%) and Midstate Barrier (75%) to perform bid item 78, Concrete Barrier (Type 736).

Additionally, Suulutaaq identified Truesdell Corporation (100%), W. Bradley Electric (100%) and Chrisp Company (100%) to perform bid item 83 which is blank on the bid item list.

Public Contract Code Section 4106 States in pertinent part:

“If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself.”

If Suulutaaq is awarded contract 04-0A0904, it must perform bid items 15, 77 and 78 with its own forces.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan".

**JOHN C. McMILLAN**  
Deputy Division Chief  
Office Engineer
