THE HONORABLE JACKIE SPEIER, MEMBER OF THE STATE SENATE,
has requested an opinion on the following question:

May a public entity accept a bid for the construction of a public works project that does not specify the business location of each listed subcontractor but does provide the state contractor's license number of each listed subcontractor from which the business location may be ascertained upon further inquiry?

CONCLUSION

A public entity may accept a bid for the construction of a public works project that does not specify the business location of each listed subcontractor but does provide the state contractor's license number of each listed subcontractor from which the business location may be ascertained upon further inquiry.

ANALYSIS

We are informed that the lowest bidder on a recent city public works project failed to specify the business location for each subcontractor listed in the bid. Instead, the bid provided the state contractor's license number for each named subcontractor from which the business address could be ascertained by contacting the Contractors' State License Board ("Board"). Under these circumstances, may the city accept the bid? We conclude that it may.

The Legislature has enacted a comprehensive statutory scheme, the Subletting and Subcontracting Fair Practices Act (Pub. Contract Code, §§ 4100-4114; "Act"),¹ to address "the practices of bid shopping and bid peddling in connection with the construction, alteration, and repair of public improvements" (§ 4101).² Three statutes require our analysis. Section 4104 states:

"Any officer, department, board or commission taking bids for the construction of any public work or improvement shall provide in the specifications prepared for the work or improvement or in the general conditions under which bids will be received for the doing of the work incident to the public work or improvement that any person making a bid or offer to perform the work, shall, in his or her bid or offer, set forth:

"(a)(1) The name and the location of the place of business of each subcontractor who will perform work or labor or render service to the prime contractor in or about the construction of the work or improvement, or a subcontractor licensed by the State of California who, under subcontract to the prime contractor, specially fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications, in an amount in excess of one-half of 1 percent of the prime contractor's total bid or, in the case of bids or offers for the construction of

¹ All further statutory references are to the Public Contract Code unless otherwise indicated.

² "Bid shopping is the use of the low bid already received by the general contractor to pressure other subcontractors into submitting even lower bids. Bid peddling, conversely, is an attempt by a subcontractor to undercut known bids already submitted to the general contractor in order to procure the job." (*Southern Cal. Acoustics Co. v. C.V. Holder, Inc.* (1969) 71 Cal.2d 719, 726, fn. 7; see *MCM Construction, Inc. v. City and County of San Francisco* (1998) 66 Cal.App.4th 359, 368-369; *E.F. Brady Co. v. M.H. Golden Co.* (1997) 58 Cal.App.4th 182, 189-190; *Valley Crest Landscape, Inc. v. City Council* (1996) 41 Cal.App.4th 1432, 1438; *Cal-Air Conditioning, Inc. v. Auburn Union School Dist.* (1993) 21 Cal.App.4th 655, 661, fn. 1.)

streets or highways, including bridges, in excess of one-half of 1 percent of the prime contractor's total bid or ten thousand dollars (\$10,000), whichever is greater.

“(2)(A) Subject to subparagraph (B), any information requested by the officer, department, board, or commission concerning any subcontractor who the prime contractor is required to list under this subdivision, other than the subcontractor's name and location of business, may be submitted by the prime contractor up to 24 hours after the deadline established by the officer, department, board, or commission for receipt of bids by prime contractors.

“(B) A state or local agency may implement subparagraph (A) at its option.

“(b) The portion of the work that will be done by each subcontractor under this act. The prime contractor shall list only one subcontractor for each portion as is defined by the prime contractor in his or her bid.”

Section 4110 provides:

“A prime contractor violating any of the provisions of [sections 4100-4114] violates his or her contract and the awarding authority may exercise the option, in its own discretion, of (1) canceling his or her contract or (2) assessing the prime contractor a penalty in an amount of not more than 10 percent of the amount of the subcontract involved, and this penalty shall be deposited in the fund out of which the prime contract is awarded. In any proceedings under this section the prime contractor shall be entitled to a public hearing and to five days' notice of the time and place thereof.”

Section 4111 additionally states:

“Violation of [sections 4100-4114] by a licensee under [the Contractors' State License Law] constitutes grounds for disciplinary action by the Contractors State License Board, in addition to the penalties prescribed in Section 4110.”

The provisions of sections 4104, 4110 and 4111 may be examined in light of well recognized principles of statutory construction. “In determining intent, we look first to the words of the statute, giving the language its usual, ordinary meaning.” (*Hunt v. Superior Court* (1999) 21 Cal.4th 984, 1000.) “[W]e consider portions of a statute in the context of the entire statute and the statutory scheme of which it is a part, giving significance to every

word, phrase, sentence, and part of an act in pursuance of the legislative purpose. [Citation.]” (*Curle v. Superior Court* (2001) 24 Cal.4th 1057, 1063.) “ ‘Words must be construed in context, and statutes must be harmonized, both internally and with each other, to the extent possible.’ ” (*Woods v. Young* (1991) 53 Cal.3d 315, 323.)

Applying these principles of statutory interpretation, we find that “the location of the place of business of each subcontractor” must be specified in the bid (§ 4104, subd. (a)(1)), and although certain information concerning a subcontractor may be submitted after the bid submission deadline, such late disclosure is not allowed for “the subcontractor’s name and location of business” (§ 4104, subd. (a)(2)(A)).

Listing the state contractor’s license number of a subcontractor does not comply with the mandate of section 4104. Even though the subcontractor’s current business address may be ascertained by making inquiry of the Board (see Bus. & Prof. Code, § 7083; Cal. Code Regs., tit. 16, § 863, subd. (d)), the Legislature has chosen not to require such further investigation. Instead, the bid must contain “the location of the place of business of each subcontractor.”³

The failure to identify a subcontractor’s place of business in the bid proposal thus constitutes a violation of section 4104. Significantly, the Legislature has specified the consequences for such a violation. Section 4111 makes a violation of section 4104 “grounds for disciplinary action by the Contractors’ State License Board.” It is for the Board to determine what disciplinary action is to be taken against a prime contractor who has failed to identify a subcontractor’s place of business in a bid for a public works project. The public entity to which the bid has been submitted does not have a role to play with respect to the Board’s responsibilities and duties under section 4111.

Section 4110, however, specifies what the public entity itself may do if a bid is submitted that does not contain the business address of each listed subcontractor. “[T]he awarding authority may exercise the option, in its own discretion, of (1) canceling his or her contract or (2) assessing the prime contractor or penalty in an amount of not more than 10 percent of the subcontract involved.” The terms of section 4110 are permissive. The

³ “The word ‘shall’ is ordinarily ‘used in laws, regulations, or directives to express what is mandatory.’ [Citation.] The word ‘may,’ by contrast, is usually permissive and denotes ‘to have power.’ [Citation.] . . . [W]here the Legislature employs the term ‘shall’ and ‘may’ in different portions of the same statute, it must be concluded that the Legislature was aware of the different meanings of these words and intended them to denote mandatory and directory requirements, respectively. [Citations.]” (*Rice v. Superior Court* (1982) 136 Cal.App.3d 81, 86; see *Common Cause v. Board of Supervisors* (1989) 49 Cal.3d 432, 443; *In re Richard E.* (1978) 21 Cal.3d 349, 353-354; *Maryland Casualty Co. v. Andreini & Co.* (2000) 81 Cal.App.4th 1413, 1420; *Aktar v. Anderson* (1997) 58 Cal.App.4th 1166, 1182.)

awarding authority is not required to cancel the contract or impose a penalty but “may” do so in the exercise of “its own discretion.” (Cf. Bus. & Prof. Code, § 7028.15, subd. (e) [bid submitted by an unlicensed contractor “shall be rejected”].)

The legislative history of section 4110 fully supports the “plain meaning” of the statute, granting discretionary authority to the public entity in dealing with a violation of section 4104. When the statutory language in question was first enacted, the Legislature declared the following consequence: “the awarding authority shall have the right to cancel the contract.” (Stats. 1941, ch. 1283, § 1.) Two years later, this language was changed to “the awarding authority may cancel the contract.” (Stats. 1943, ch. 134, § 4106.) In 1945, the language was changed to not only allow the contract to be canceled but “the general contractor shall be penalized to the extent of twenty percent (20%) of the amount of the subcontract involved.” (Stats. 1949, ch. 1380, § 6.) In 1961, the language was again changed to give the awarding authority several options:

“A general contractor violating any of the provisions of this chapter violates his contract and the awarding authority may exercise the option, in its own discretion, of (1) canceling his contract or (2) assessing the general contractor a penalty in an amount not more than ten percent (10%) of the amount of the subcontract involved, and this penalty shall be deposited in the fund out of which the prime contract is awarded, or (3) both canceling the contract and assessing the penalty.” (Stats. 1961, ch. 1963, § 1.)

The three options were continued in 1963 (Stats. 1963, ch. 2125, § 11), but in 1969, the statute was again amended, essentially providing as it does today. (Stats. 1969, ch. 332, § 2.)

If the public entity “may” cancel the contract for a failure to list the business address of a subcontractor, it may “in its own discretion” choose not to do so. It follows that the public entity “may” accept or reject the bid in the first instance. The permissive authority to cancel the contract necessarily includes the authority to execute the contract. We are to interpret statutes by giving them “a practical construction” (*California Correctional Peace Officers Assn. v. State Personnel Bd.* (1995) 10 Cal.4th 1133, 1147) since “it is presumed the Legislature intended reasonable results consistent with its expressed purpose, not absurd consequences” (*Harris v. Capital Growth Investors XIV* (1991) 52 Cal.3d 1142, 1165-1166).⁴

We conclude that a public entity may accept a bid for the construction of a

⁴ Of course, if other subcontractor information is omitted in the bid but provided within “24 hours after the deadline” (§ 4104, subd. (a)(2)(A)), no statutory violation would occur and the possible adverse consequences specified in sections 4110 and 4111 would be inapplicable.

public works project that does not specify the business location of each listed subcontractor but does provide the state contractor's license number of each listed subcontractor from which the business location may be ascertained upon further inquiry.

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.

2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:

- 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:

- 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.

- 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.

- 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.

- 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.

- 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.

- 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:

2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:

- 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
- 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.

2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.

2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.

2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.

2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

Dear Mr. Beador:

The Department of Transportation (Caltrans) received the attached revised "Subcontractor List" on April 26, 2012, for Contract No. 08-0P6804 from Beador Construction Company, Inc. (Beador). In the revised list, Pavement Recycling Systems (PRS) was added for Bid Items 10 Remove Concrete Deck Surface and 11 Cold Plane Asphalt Concrete Pavement. This letter is to inform you that Caltrans cannot accept the revised "Subcontractor List" as it would violate the Subletting and Subcontracting Fair Practices Act of the Public Contract Code. The subcontractor list originally submitted by Beador with its bid on April 26, 2012 will be used.

Since PRS was not listed on the "Subcontractor List" submitted with your bid, Beador will be required to perform 100 percent of the bid items 10 Remove Concrete Deck Surface and 11 Cold Plane Asphalt Concrete Pavement with its own forces.

A copy of this letter will be provided to the Resident Engineer for monitoring contract compliance.

If you have any questions, please contact Tammy Thomas, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

Dear Mr. Beador:

The Department of Transportation (Caltrans) received the attached revised "Subcontractor List" on April 26, 2012, for Contract No. 08-0P6804 from Beador Construction Company, Inc. (Beador). In the revised list, Pavement Recycling Systems (PRS) was added for Bid Items 10 Remove Concrete Deck Surface and 11 Cold Plane Asphalt Concrete Pavement. This letter is to inform you that Caltrans cannot accept the revised "Subcontractor List" as it would violate the Subletting and Subcontracting Fair Practices Act of the Public Contract Code. The subcontractor list originally submitted by Beador with its bid on April 26, 2012 will be used.

Since PRS was not listed on the "Subcontractor List" submitted with your bid, Beador will be required to perform 100 percent of the bid items 10 Remove Concrete Deck Surface and 11 Cold Plane Asphalt Concrete Pavement with its own forces.

A copy of this letter will be provided to the Resident Engineer for monitoring contract compliance.

If you have any questions, please contact Tammy Thomas, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
Deputy Division Chief
Office Engineer

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.

2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:
 - 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:
 - 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
 - 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.
 - 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.
 - 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.
 - 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.
 - 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

Dear Mr. Stewart:

The Department of Transportation (Caltrans) received the attached letter dated December 9, 2013, from RGW Construction, Inc. (RGW), protesting the Subcontractor List submitted by Brosamer & Wall, Inc. (Brosamer). The protest alleges that Brosamer revised the Subcontractor List by adding the word "temporary" to Erosion Control. In addition, Pre-Cast Girders was listed as a subcontractor. As such, RGW requests that Brosamer be found nonresponsive and the contract be awarded to RGW.

Caltrans reviewed the Subcontractor List submitted by Brosamer and the protest submitted by RGW and determined that adding the verbiage "temporary" does not change the scope of work to be performed. In addition, Pre-Cast Girders is manufactured by ConFab. This error has no material effect on the award of this contract. Therefore, Caltrans has determined that RGW's protest lacks merit and will proceed to award the contract to the lowest responsible bidder.

If you have any questions please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

JOHN S. McMILLAN

RE: 10-051104 – For construction on State Highway in San Joaquin County in Stockton at Various Locations in District 10 on Route 4,5
Bid Opening 11/20/2013

SUBJECT: Bid Protest

Dear Mr. McMillan:

Please consider this letter as a protest of the bid submitted by Brosamer and Wall in connection with contract 10-051104. The bid submitted by Brosamer and Wall is non-responsive and must be rejected based on the Department's practices and applicable law.

Brosamer and Wall's bid is defective because it listed J & M Land Restoration Inc. to perform "Erosion Control, Permanent (Partial)" at time of bid (attachment 1), and in its 24 hour subcontractor listing, Brosamer and Wall changed the description of work to "Temporary & Permanent Erosion Control (Partial)" and added temporary erosion control work, specifically bid items:

- 18 – Move-In/Move-Out (Temporary Erosion Control)
- 19 – Temporary Hydraulic Mulch
- 20 – Temporary Soil Binder
- 24 – Temporary Fiber Roll
- See (attachment 2)

Temporary Erosion Control work is distinctly shown on the Temporary Water Pollution Control Plan Sheets WPC-1 through WPC-8, pp 54-61 of the plan sheets (attachment 3) and described in Section 13 – Water Pollution Control of the Special Provisions and State Standard Specifications. It is not permanent erosion control work as shown on the Erosion Control Plan Sheets ECL-1, EC-1 through EC-8 and quantified on Erosion Control Plan Sheet ECQ-1 pp 62-71 of the plan sheets (attachment 4) and described in Section 21 – Erosion Control of the State Standard Specifications.

The addition of temporary erosion control work creates a revised "Subcontractor List" and is in violation of the Subletting and Subcontracting Fair Practices Act of the Public Contract Code. Please see (attachment 5) which evidences Cal Trans' standard practice of rejecting a bid as non-responsive where the bidder has revised the information included in column 4 of the Subcontractor List form from time of bid to 24 hour subcontractor listing.

Brosamer and Wall's bid is also defective because:

1. In Brosamer and Wall's description of subcontracted work, it stated that J & M Land Restoration, Inc. would be partially performing the Permanent Erosion Control Work. This would require that Brosamer and Wall self-perform certain items of erosion control work or perform portions of items of erosion control work. In its 24-hour subcontractor listing (attachment 2), Brosamer and Wall listed J & M Land Restoration for bid items 66, 67, 68, 69, 70, 71, 72 and 73 all for 100%. Bid items 66-73 are all item code 21 – Erosion Control. There are no other bid items referencing item code 21, therefore, J & M is performing "all" erosion control work, not partial permanent erosion control work as described by Brosamer and Wall.
2. Brosamer and Wall listed "ConFab" to perform "Pre-cast Girders" at time of bid (attachment 6). In its 24 hour subcontractor listing, Brosamer and Wall changed the Business Name in Column 1 from ConFab to "Pre Cast Girders" (Attachment 7).

Both these mistakes that Brosamer and Wall made in the Subcontractor Listing Form are material. These mistakes and Brosamer and Wall's conflicting description of the scope and added scope of temporary erosion control work to be performed by J & M Land Restoration, Inc. afforded Brosamer and Wall the opportunity either to seek to correct or withdraw its bid. While Brosamer and Wall did not do so, the mere fact that it had this opportunity and the other bidders did not, gave it an unfair advantage in this competitive process. As a result, Brosamer and Wall's bid is non-responsive and must be disregarded. See: Valley Crest Landscape, Inc. v. City Council, 41, Cal.App.4th 1432 (1996).

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.

2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:

- 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:

- 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.

- 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.

- 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.

- 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.

- 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.

- 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

- 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:
 - 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
 - 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.
- 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.
- 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.
- 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.
- 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

TERMS

1. The Signer hereof warrants that he is a licensed contractor, and/or the owner in fee, and/or the authorized agent of the owner in fee of the property upon which the said work is to be done.
2. Any deviation from these specifications and/or terms shall be by mutual agreement and shall be in writing. Payment for extra work and allowance for omissions shall be fixed in advance on demand by either party and shall be set forth in said writing. No verbal agreement or understanding shall be binding unless included in this proposal.
3. All payments received in accordance with the terms of this contract are accepted with the understanding that such payments shall be applied to the payment of materials and labor furnished on this job.
4. Both parties agree that plans and specifications may be changed without impairing the validity of this contract, subject, however, to the condition that the sum be allowed either party for such alterations shall have been agreed upon by the parties to the contract an a full statement of the same made in written and signed by them before the work to be affected by the changes is commenced.
5. Both parties agree that on cancellation of this contract without written consent of the Seller, sum not to exceed 20 per cent of the work contract price shall be paid on demand, to Seller, by owner, authorized agent or Contractor being a party of this contract.
6. That if the work is interrupted or its completion delayed by the Buyer for thirty days, payment to cover all labor furnished, all material furnished and installed, and all material furnished and not installed shall become due and payable forthwith.
7. The Seller shall not be held liable for any loss, damage, or delays occasioned by fires, strikes, acts of war, acts of God, secondary boycotts, inability to obtain materials, or other causes beyond his control.
8. This bid is based on the current price of labor and material and if not accepted within 30 days, from date hereof, the right is reserved by Seller to submit a new bid.
9. Both parties agree that over break shall be construed as extra work and shall be paid for at agreed price determined in advance.
10. All accounts are due and payable by the 10th of the month following date of invoice unless otherwise designated in writing. Delinquency accounts will bear interest at 1.5% per month.
11. This agreement includes normal insurance requirements. Excessive amounts required by Buyer the Seller reserves the right to increase the amount of the contract accordingly.
12. Both parties agree if the work covered under this agreement is not completed one-year from date this agreement is subject to the escalator clause.
13. DISPUTES-Seller may, at its sole option, elect to enter into binding arbitration of any dispute arising out of or related to this contract or the breach thereof, in accordance with the construction industry arbitration rules of the American Arbitration Association. In the event either party becomes involved in litigation or arbitration, arising out or this contract, the prevailing party shall be entitled to recover its attorney's fees and other costs resulting from said litigation or arbitration in a reasonable amount.

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.
 - For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.
 - For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.
 - For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.
2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:
 - 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:
 - 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
 - 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.
 - 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.
 - 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.
 - 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.
 - 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

STATE OF CALIFORNIA - DEPARTMENT OF TRANSPORTATION
BID TO THE DEPARTMENT OF TRANSPORTATION

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.

2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:

- 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:

- 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.

- 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.

- 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.

- 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.

- 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.

- 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

CONTRACTOR LICENSE NO. 8

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.
2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:
 - 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:
 - 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
 - 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.
 - 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.
 - 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.
 - 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.
 - 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

Dear Mr. Dowd:

The Department of Transportation (Caltrans) received the attached letter dated July 3, 2012 from Granite Construction Company (Granite) protesting Bay Cities Paving and Grading (Bay Cities) use of Black Diamond Asphalt, Inc. (Black Diamond). The protest states that Bay Cities included Black Diamond on its UDBE Commitment form, though Bay Cities did not contact Black Diamond in order to confirm they would participate in the contract and that Bay Cities did not meet their 10% UDBE goal. Granite requests Caltrans find Bay Cities nonresponsive for not meeting the UDBE goal and award the contract to Granite.

Caltrans has confirmed that Black Diamond Asphalt, Inc. is a UDBE participant on this project as a second tier supplier for George Reed, Inc. who is supplying the asphalt to Bay Cities. Caltrans has also confirmed the quote for Black Diamond was in effect prior to the bid opening, thus there was no advantage given to Bay Cities on this project.

Based on the above, Caltrans finds Granite's protest lacks merit and will award the contract to Bay Cities.

If you have any questions, please contact Tammy Thomas, Contract Awards Branch Chief, at (916) 227-6285.

Sincerely,

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.
2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:
 - 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:
 - 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
 - 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.
 - 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.
 - 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.
 - 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.
 - 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

STATE OF CALIFORNIA - DEPARTMENT OF TRANSPORTATION

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.

2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:
 - 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:
 - 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
 - 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.
 - 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.
 - 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.
 - 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.
 - 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.

1. Bidder agrees, if this bid is accepted, to enter into a contract with the Department, in the form included in the Standard Specifications, to perform the work provided in the Contract under the terms of the Contract for the price or prices bid.

For a lump sum or unit price based bid, Bidder additionally agrees to perform the work within the number of working days shown on the *Notice to Bidders*.

For a cost plus time based bid on a contract without a plant establishment period, Bidder additionally agrees to perform the work within the number of working days bid.

For a cost plus time based bid on a contract with a plant establishment period, Bidder additionally agrees to perform the non-plant establishment work within the number of working days bid for non-plant establishment work.

2. For a lump sum based bid, Bidder submits this bid with a total price in the total bid space provided on the Bid Item List. For a unit price or cost plus time based bid, Bidder submits this bid with a unit price and the item total (the product of the unit price and the quantity) for each item and a total price (the sum of the item totals) in the spaces provided on the attached Bid Item List. For a unit price with additive item based bid, Bidder submits this bid with a unit price and an item total for each item and a total base bid (the sum of the item totals) and the additive items in the spaces provided on the attached Bid Item List. Additionally, for a cost plus time based bid, Bidder submits this bid with working days bid for non-plant establishment work, total bid for time, and total bid for bid comparison in the spaces provided on the Bid Item List. Bidder agrees:

- 2.1. If a discrepancy between the unit price and the item total exists, the unit price prevails except:

- 2.1.1. If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.

- 2.1.2. If a decimal error is apparent in the product of the unit price and the quantity, the Department will use either the unit price or item total based on the closest by percentage to the unit price or item total in the Department's Final Estimate.

- 2.2. If the unit price and the item total are illegible or are omitted, the bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the bid may be determined nonresponsive.

- 2.3. Bids on lump sum items are item totals. If a unit price for a lump sum item is entered and it differs from the item total, the item total prevails.

- 2.4. Entries are to be expressed in dollars or decimal fractions of a dollar. Symbols such as commas and dollar signs are ignored and have no significance in establishing unit price or item total.

- 2.5. Unit prices and item totals are interpreted by the number of digits and decimal placement. Do not round item totals or the total bid.
