Bid Protest – Request for Documents

Gentlemen:

MCM Construction, Inc. is the apparent second low bidder for the above referenced project.

On April 3, 2014, MCM submitted a bid protest of the apparent low bidder RGW Construction, Inc. Caltrans posted the MCM protest letter and all the attachments to that letter on the Office Engineer's Post Bid website.

We note that a response to the MCM bid protest from RGW, dated April 11, 2014, was posted on the website on April 16, 2014. The response letter references a request from Caltrans dated April 9, 2014.

The attachments referenced in the RGW response letter are not included in the website posting, nor is the correspondence from Caltrans to RGW requesting a response to the bid protest.

We request that you provide a copy of the attachments referenced in the RGW letter of April 11, 2014 as well as the April 9, 2014 request for RGW to provide a response to the bid protest.

Contract NO. 04-0A7104

Please contact the undersigned at (916) 334-1221, ext. 229 or via email at epuchi@mcmconstructioninc.com and advise when these documents will be available to be picked up or when they are posted on the Office Engineer's website.

It is critical that this documentation be provided so that MCM can determine whether any further response other than our letter of April 17, 2014 is appropriate.

Thank you for your prompt attention and courtesy and cooperation in this regard.

Sincerely,

MCM CONSTRUCTION, INC.
