Dear Mr. Gilmartin:

The Department of Transportation (Caltrans) received a bid submitted by Proven Management, Inc. (PMI) for Contract number 04-1SS044 on September 17, 2014. By this letter, Caltrans notifies PMI that its bid is nonresponsive.

Section 2-1.12B(2) of the revised 2010 Standard Specifications states in part, "...*The DBE Commitment form must be received by the Office Engineer no later than 4:00 p.m. on the 4th business day after bid opening. Submit written confirmation from each DBE shown on the form stating that it will be participating in the Contract. If you do not submit the DBE Commitment form by the specified time, your bid is nonresponsive.*" Caltrans confirms that it received PMI's DBE submittal (quotes) but PMI failed to provide the completed commitment form to provide the DBE's proposed total claimed participation.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
Deputy Division Chief
Office Engineer
Division of Engineering Services
