Dear Mr. Radich:

The Department of Transportation (Caltrans) received the attached Disadvantaged Business Enterprise (DBE) Commitment form for Contract No. 04-1SS054 from Granite Construction Company (Granite) on August 25, 2014. Granite identified Rupert Construction (Rupert) to perform work described as bid item #80-clean and paint steel soldier piling, and Schotka Construction (Schotka) to perform work described as bid items #85- delineator (class 1), #86-guard rail delineator , #87-object marker (type P), #88, object marker (type L-1).

The Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB), determined that the above contracted items to be provided were not listed to be performed by the subcontractors under the DBE commitment form. As a result, the DBE participation for these particular bid items will be reduced from the total quoted amount for Rupert and Schotka. As such, Rupert's participation reduced from \$306,582 to \$287,458.37 and Schotka's participation is reduced from \$5,196 to \$3,936. After the adjustments, Granite's claimed participation amount was reduced from 17% to 16.23%.

This determination did not adversely impact Granite's efforts to meet the 11% DBE goal for this project.

If you have any questions, please contact Tim Bullivant, CEB Branch Chief, at (916) 324-1805.

Subject: CONTRACT NO.: 04-1SS054

The bid submitted by Granite Construction Company (Granite) for the above referenced contract listed Rupert Construction (Rupert) and Schotka Construction (Schotka) as Disadvantaged Business Enterprise (DBE) subcontractors for this contract. The documentation received with the bid indicates Rupert will clean and paint steel (bid item #80) and Schotka will provide object markers (bid items #85-88).

After further review of the contract items to be provided by both subcontractors, CEB staff determined these bid work items were not listed, under the DBE commitment sheets, to be provided by the two subcontractors. As a result, the DBE participation for these particular bid items will be removed from the total quote amount from Rupert and Schotka, respectively. Rupert's participation amount towards the goal will be reduced from \$306,582 to \$287,458.37 and Schotka's participation amount towards goal will be reduced from \$5,196 to \$3,936.

The total participation amount by Granite is reduced from \$394,420 to \$374,036.37, with the total participation goal reducing from 17% to 16.23%. Granite still meets the 11% goal.

If you have any questions/concerns, you may contact N. Thu Phan, CEB Analyst, at (916) 324-1999 or nguyets.phan@dot.ca.gov.
