National Association of Women in

Welcome to Region 10 (Soon to be The Pacific Northwest)

Posted on October 16, 2014 by Region 10 of The National Association of Women In Construction

The National Association of Women in Construction (NAWIC) originally began as Women in Construction of Fort Worth, Texas. It was founded in 1953 by 16 women working in the construction industry. Knowing that women represented only a small fraction of the construction industry, the founders organized NAWIC to create a support network. Women in Construction of Fort Worth was so successful that it gained its national charter in 1955 and became the National Association of Women in Construction.

NAWIC has a membership of more than 4,500 and approximately 167 chapters, with chapters in almost every U.S. state. Since 1996, NAWIC has seen its Core Purpose grow worldwide and has International Affiliation Agreements with the Canadian Association of Women in Construction, NAWIC-Australia, NAWIC-New Zealand, NAWIC-United Kingdom and South African Women in Construction. In NAWIC's 55 years of service to its membership, NAWIC has advanced the causes of all women in construction, from tradeswomen to business owners.

The National Association of Women In Construction is made up of 14 Regions, and we are Region 10, Soon to be The Pacific Northwest~ In March of 2012, Guam chartered with one of NAWIC's largest chartering events with 81 members!! Our Region was formed in 1962 and in May 2012 we also celebrated our 50th Anniversary. The core purpose of NAWIC is to support and enhance women in the construction industry. We provide many educational programs, and opportunities within our Region. We hold two annual meetings in our Region. One being Annual Planning Conference held in October/November, and the 2nd is our Annual Spring Forum in April/May. We may also provide a winter or summer conference depending on the needs of the membership.

We welcome you to join us at any of our events or attend a chapter meeting in your location.

MBDA Business Centers

Minority-owned firms seeking to penetrate new markets — domestic & global — and growing in size and scale, can access business experts at a MBDA Business Center. Whether it's securing capital, competing for a contract, identifying a strategic partner or becoming export-ready, your success is our priority.

The Centers are located in areas with the largest concentration of minority populations and the largest number of minority businesses. The Centers are staffed by business specialists who have the knowledge and practical experience needed to run successful and profitable businesses. Business referral services are provided free of charge. However, the network generally charges nominal fees for specific management and technical assistance services.
