Certified DBE # 5242 WBE SBE DBE

Do not go with a high percentage for trucking, each truck has to be a dbe to qualify and there are not a lot in the Bay Area. Also keep in mind that if you use a dbe owned truck with an employee these jobs are prevailing wage and that driver will need to be paid as such so we use dbe owner operators and there are very few because Cal Trans does not like to certify owner operators.
