Contract 04-235624

Mr. Horn,

Chrisp Company provided a quote to Flatiron West Inc on March 18<sup>th</sup>, 2015 for the above referenced bid. This letter is to confirm that we have been informed by Flatiron that after the bid they notified Caltrans in writing of a clerical error for bid item 5 in their electronic bid submittal.

We understand that we are not being substituted by any other sub for any of the items we did quote and we are in agreement with Flatiron that we will not perform bid item 5; traffic control on this project, as we did exclude it in our quote.

Flatiron was correct in not assigning any percentage to us for this bid item. Chrisp fully intends to perform the bid items we quoted to Flatiron for this project if it is awarded to them.

Should you have any questions, please feel free to contact us at 510-656-2840.

Sincerely,

David Morris  
Vice President
