Re: Project No. 04-294944 (bid date 7/8/2014)

Dear John C. McMillan,

I am writing this letter to ask you to re-consider our bid as the lowest bidder for the above project. The gentlemen that delivered the bid leave out item 78, which is \$210,000, that would bring the total up to \$ 2,287,001.80. That was the number we intended to submit. We're a DBE and small business , we have done many projects for Caltrans in District 4 and we have a good reputation among the project engineers. We request that you re-examine our bid for a consideration.

Sincerely,

Vy Tran, Officer
