Dear Mr. Anderson,

The Department of Transportation (Caltrans) received a bid submitted by Anderson Pacific Engineering Construction, Inc. (Anderson) for Contract No. 04-2A4304 on September 24, 2013. By this letter, Caltrans notifies Anderson that its bid is nonresponsive since Anderson failed to submit the DBE Commitment form and written confirmation.

Section 2-1.12B(2) of the revised 2010 Standard Specifications states in part, "...*The DBE Commitment form must be received by the Office Engineer no later than 4:00 p.m. on the 4<sup>th</sup> business day after bid opening. Submit written confirmation from each DBE shown on the form stating that it will be participating in the Contract. If you do not submit the DBE Commitment form by the specified time, your bid is nonresponsive.*" Anderson failed to submit the Disadvantaged Business Enterprise (DBE) Commitment form and written confirmation.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

Mr. Peter E. Anderson
