Dear Mr. Boyle:

The Department of Transportation (Caltrans) received a bid submitted by SCQ Construction, a division of Stevens Creek Quarry, Inc. (SCQ) for Contract No. 04-2A4404 on January 15, 2013. Caltrans notifies SCQ Construction that its bid is nonresponsive because SCQ failed to properly complete the Subcontractor List.

Section 2.2 of the contract instructions states in part,..."If the unit price and item total are illegible or omitted, the bid may be determined nonresponsive." SCQ identified A.C. Dike Company, KCI Environmental, and Economy Trucking on its Subcontractors List. However, failed to complete column 2, Bid Item Number and, column 3 Percentage of Bid Item(s) Subcontracted for.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.02 of the Amendments to the 2006 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
