Comments:

John,
Here is our revised quote. I took out my contingency fund and some of my profit. I hope it helps. You are the only one I am providing the lower biological survey number to so I would appreciate it if you have other opportunities you are bidding that might give us a chance to do some more work for you that we get a chance to bid with you again.

Thanks for the opportunity to be on your team.

Comments:

John,

Here is our revised quote. I took out my contingency fund and some of my profit. I hope it helps. You are the only one I am providing the lower biological survey number to so I would appreciate it if you have other opportunities you are bidding that might give us a chance to do some more work for you that we get a chance to bid with you again.

Thanks for the opportunity to be on your team.

Best,

Tim
