RE: 04-2J1804, B.O. 10/21/2015

Mr. McMillan,

Please consider this letter our formal protest of the award of this project to Peterson-Chase General Engineering Construction, Inc. (Peterson) or FBD Vanguard Construction (FBD). Peterson did not meet the DBE commitment goal on this project nor did they submit a good faith effort. FBD did not meet the DBE commitment goal on this project nor did they submit a good faith effort.

Peterson's DBE Commitment Form shows a commitment of \$49,932.00 to KRC Safety for Traffic Control Equip Rentals. Their DBE paperwork shows the rental of four portable changeable message signs and two impact attenuator vehicles for four months. This participation is only eligible for 60% contribution to the goal, or of the \$49,932.00 only \$29,959.20 can be used to meet the established goal. Therefore, Peterson can only list \$396,709.12 towards the DBE goal making their total claimed participation 28.0%. Peterson did not meet the DBE commitment goal, nor did they submit a good faith effort.

FBD's DBE Commitment Form shows they only claimed 22.9% of the 29% DBE goal. In addition, they did not submit the required Good Faith Effort Documentation Forms. FBD did not make the DBE goal, nor did they submit a good faith effort.

Since neither Peterson or FBD did not make the goal nor submit a good faith effort this contract should not be awarded to either of these companies.

Please call with any questions or if you require additional information.

Thank you
