Dear Mr. Hazen:

The Department of Transportation (Caltrans) received the attached Disadvantaged Business Enterprise (DBE) Commitment form for Contract No. 04-3E2904 from MCK Services, Inc. (MCK). Caltrans established a Disadvantaged Business Enterprise (DBE) goal of 3.0 percent for this project. MCK initially claimed a DBE commitment of 3.7 percent of the total bid amount.

MCK listed (for credit toward the DBE goal) Mercado Trucking (Mercado) to provide trucking services (haul grindings and import Hot Mix Asphalt) in the amount of \$30,000. The Office of Business and Economic Opportunity, Contract Evaluation Unit (CEU), reviewed MCK's DBE submittal and determined that MCK failed to include the quote for Mercado within 4 business days after the bid opening date. Consequently, Mercado's participation was disallowed. The total dollar amount counted towards the DBE goal was reduced by \$30,000. After the adjustment, the total amount of DBE participation is \$46,317, or 2.3 percent of the total bid amount.

CEU staff further determined that MCK did demonstrate a good faith effort towards meeting the DBE participation goal for this contract.

The Resident Engineer will receive a copy of this letter for contract administration compliance.
