Dear Mr. Chandran:

The Department of Transportation (Caltrans) received a bid submitted by ETIC for Contract No. 04-3G0204 on October 09, 2013. By this letter, Caltrans notifies ETIC that its bid is nonresponsive because it submitted an inconsistent Subcontractor List form and Disadvantaged Business Enterprise (DBE) Commitment form.

The DBE Commitment form states in part, "...Names of the first tier DBE subcontractors and their respective item(s) of work listed above must be consistent, where applicable, with the names and items of work in the Subcontractor List form."

ETIC listed on its DBE Commitment form, KRC Safety Co., Inc. (KRC) to perform bid item 8 Temporary Railing Type K. However, ETIC failed to list KRC on its Subcontractor List form.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder, provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the Amendments to the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.
