Default to hourly rates might prevail, however that could change also dependent on information given at time of request!
20. R & S Trucking provides a "Commercially Useful Function" as defined by 49 CFR 26 in achieving the awarded contractors DBE commitment goals. DBE contract commitment goals, whether in dollars or percentages, are strictly the contractor's achievement responsibility, as defined by 49 CFR 26.

As it is standard practice in the construction industry for contractors not to sign truckers trucking quotes, If R & S Trucking sign's a contractor's agreement/contract for trucking services; this action will be construed as a contractor signing an R & S Trucking complete quote with its Contract of Terms & Conditions. This also means that an R & S Trucking quotes supersedes any/all contractors agreements/contract/purchase order, and contractor will hold harmless anything associated in that contract, including production.

- 28. **R&S Trucking Co. is a VENDOR, not a SUB CONTRACTOR.**

If the need of one is required, and mutually agreed upon by R & S Trucking and the contractor requesting this need, then the requesting contractor agrees to pay all costs associated for an on-site truck boss type monitor: This additional fee typically runs approx. **\$ 350.00/per day/per 8 hour shift**, plus fuel cost. This rate is subject to change accordingly.

- 35. When "budget trucking only estimates" are provided alongside quoted hourly rates, these budgets are provided reflecting the contractors/estimators desire & requests to help arrive to a: "Approximation of time cycles and/or tonnage estimate to help create a budget cost +/-". These budget costs/rates are not to be considered accurate enough for a commitment and are created only for a convenience, therefor only the hourly rates quoted at the time shall prevail.

Surety companies will have to be approved by Argonaut Constructors (Argonaut). Argonaut may pay up to 1.5 % of the bond premium. Union signatory will be required on this project. Argonaut will offer assistance in obtaining bonding, lines of credit, insurance, equipment or supplies. Argonaut is willing to break down items into economically feasible packages and we are willing to break out any portion of work to encourage participation. Argonaut's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. Quotations must be valid for the same duration as specified by the Owner for Contract Award. Argonaut is relying on the price submitted in the subcontractor's proposal as all-inclusive price for its trade scope found in the plans and specifications regardless of any qualifying language in the proposal. Plans may be reviewed at our office in Santa Rosa or they may be obtained through Caltrans at http://www.dot.ca.gov/hq/esc/oe/weekly_ads/project.php, local plan rooms, builder's exchanges as well as trade publications such as Daily Pacific Builder or the North Coast Builders Exchange.
