Re: Richmond San Rafael Bridge Painting  
Contract No. 04-3G4844  
Bid Date: March 29, 2014

To Whom It May Concern,

We are the apparent low bidder on the referenced project. It requires SSPC QP1 and QP2 certification. The certificates submitted with our bid expire the end of this month, March 31, 2014. Today we just received our renewal certificates that now expire at the end of March, 2015. We are attaching them in case there are any questions about the current certificates expiring in a couple weeks. If you can put the attached certificates with our bid documents, it would be much appreciated.

Please let us know if you have any questions.

Sincerely,

David Brockman  
President
