Portland cement concrete grinding is excluded from this quotation unless specifically quoted.

Damage caused by the removal of asphalt concrete over gutter cannot be guaranteed by ABSL.

ABSL Construction will cold plane as close as possible to existing manholes, water valves, and other obstructions in cutting plane. Handwork and placing temporary asphalt tapers around these objects or at pavement edge for safety requirements are excluded.

Contractor to post streets with "No Parking" signs prior to subcontractor's phase of work, provide water or water meter and provide traffic control during cold planing operation.

All areas to be ground shall be clearly marked by the general or the job inspector.

A minimum of two weeks notice is requested prior to move in.

Anything not specifically included in this price should be considered excluded.

ABSL Construction does not accept backcharges due to machine breakdown during operation above the machine's daily rental fee.

Back charges will only be based on the time the machine is broken and will reflect the cost of the equipment for that time. All others costs due to the equipment breakdown will not be charged to ABSL Construction.

All teeth over one complete set will be charge to the contractor.

ABSL does not accept force account rates or retention.

This quotation will be part of our contract or purchase order agreement and is valid till a new change of the rates.

If you have any questions regarding the above quote please call me at (510) 727-0900 or fax at (510) 727-0912.

Sincerely,

Daryl Vorne

GRINDING JOB AGREEMENT

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
2) Modification to the work may require a change in the quote.
3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
5) All teeth over one complete set will be charge to the contractor.
6) Prices are good for 30 days from the date of this proposal, after that date the prices are subject to adjustment.
7) In the event there is an increase in the cost of fuel of more than $0.50 per gallon during the performance of this contract, ABSL will be entitled to a $75.00 per day fuel surcharge. The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp.
8) If ABSL cannot proceed with its work as scheduled due to others, standby time will be charged at the following rate: $425.00 per hour.
9) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rete until removed. Additional equipment required for removal will be charged at a time and materials basis.
10) This proposal to be attached and made part of any and all resulting contracts.
11) The above price does not include permits, fees, bonding, state or local taxes.
12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and materiel for repairs.
14) Beckcharges to ABSL must be communicated by contractor in a written notice within 72 hours from the time of occurrence for backcharges.
15) Unless otherwise agreed to in writing prior to start of work, payment is due and payable within 30 days of billing, and no retention to be withheld on payments.
16) All utilities within mill grade are to be located and marked by customer. It is the sole responsibility of the lessee or renter (customer) to follow the requirements of the regional notification center law pursuant to Article 2 (Commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the California Government Code. Customer assumes sole responsibility for, and all subsequent liabilities coincident with following the requirements of the regional notification center law. Furthermore, customer agrees to be responsible for all damage to both utilities themselves and to our company's equipment by reason of ABSL equipment encountering unmarked utilities.
17) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

Daryl Vorne

SUMMARY OF GOOD FAITH

EFFORTS OUTREACH

DBE Good Faith Efforts - #04-3G6504

SUMMARY

ITEM 1
Item 1 (Tab #3) lists the scopes of work available for subcontractors to quote. Several were broken down into economically feasible units. Breakdowns, amounts and percentage of contract can be found in Item 1 (Tab #3) of this submission.

ITEM 2
Ghilotti Construction Company initiated solicitation of DBE firms beginning August 8, 2014 through the following online databases and using the dbegoodfaith.com website:

- Caltrans – CUCP Database – searched by work code and license type
- Caltrans – Opt-In Listing
- MBDA – Minority Business Development Agency

Documentation will show effort made to include as many applicable firms as possible.

Follow up was made to each firm solicited with a telephone call to determine interest.

Documentation of all available and reasonable outreach means – emails, postage, faxes and phone logs – can be found in Item 2 (Tab # 4) of this submission.

ITEM 3
Item 3 (Tab # 5) of this submission will show the selected firms for subcontracting on this contract along with quotes and price differences between DBE and Non-DBE contractors.

ITEM 4
GCC placed 2 paid ads utilizing dbegoodfaith.com and 2 paid ads in Contractor's Estimate, Inc. These ads ran until bid date. Additionally, GCC contacted various publications and websites posting our solicitation or requesting to be listed as a planholder. Documentation can be found in Item 4 (Tab # 6) of this submission.

ITEM 5
As well as posting on the Caltrans 'Primes Seeking Assistance' section of this contract, GCC also contacted SBA and MBDA online by posting our solicitation on these websites. GCC also faxed several additional agencies requesting our Invitation to Bid be posted in their office or in any publications or newsletters to notify their members of this project. Documentation and results are found in Item 5 (Tab # 7) of this submission.

ITEM 6

GCC clearly states on the Invitation to Bid that the Estimator for the project is available to provide assistance regarding scope, interpretation of plans and specifications and bid preparation as well as listing venues for the DBE to view or obtain plans & specifications. Efforts to assist interested DBE's with specific requirements are listed in Item 6 (Tab # 8) of this submission as well as a copy of the Invitation to Bid and advertisements with these sections highlighted.

ITEM 7

GCC clearly states on the Invitation to Bid that we are able to provide assistance with bonding, lines of credit and insurance. Efforts made to assist interested DBE's can be found in Item 7 (Tab # 9) of this submission as well as a copy of the Invitation to Bid and advertisements with these sections highlighted.

ITEM 8

Any additional information regarding good faith efforts can be found in Item 8 (Tab # 10).

TAB # 3

ITEMS OF WORK MADE

AVAILABLE

1. List items of work the bidder made available to DBE firms. Identify those items of work the bidder might otherwise perform with it's own forces and those items that have been broken down into economically feasible units to facilitate DBE participation. For each item listed, show the dollar value and percentage of the total contract.
It is the bidder's responsibility to demonstrate that sufficient work to meet the goal was made available to DBE firms.

Subject: Re: Transaction 445-21688

Annette,

The receipt shows $0.00 because no payment/charge was made due the account being changed to monthly invoices. However, if it helps the amount that will be billed for that transaction is $370.00. We will be sending out the invoices for the August transactions tomorrow.

Regards,
Arya
