Dear Mr. Rege:

The Department of Transportation (Caltrans) received the attached letter dated June 26, 2013, from Rege Construction, Inc. (Rege) protesting a nonresponsive finding based on its failure to submit the Disadvantage Business Enterprise (DBE) commitment form and quotes within 4 business days after bid opening. Rege states that it submitted the Good Faith Effort in a timely manner.

Caltrans has determined that Rege's DBE commitment form and quotes were received on June 25, 2013. Therefore, Caltrans is rescinding its letter dated June 26, 2013, finding Rege's bid on contract 04-3S7524 non-responsive.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder.

If you have any questions, please contact Nicole Butler, Contract Awards Analyst, at (916) 227-6292.

Sincerely,

Dear Mr. McMillan:

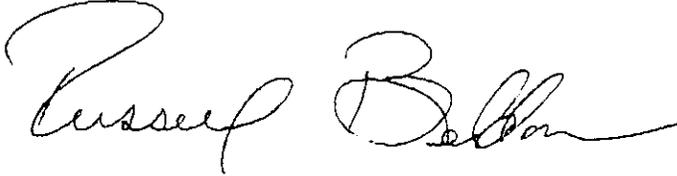

Rege Construction is in receipt of your letter dated June 26, 2013 concerning our failure to submit our good faith effort for the above referenced project.

Rege Construction hereby protests the allegation that we failed to submit our good faith effort for the above referenced project. On Friday the 21<sup>st</sup> of June, 2013 our good faith effort was shipped Fedx to your office. A receipt of delivery on Monday the 24<sup>th</sup> of June 2013 is available for review. The project bid on June 19<sup>th</sup>, 2013 with three working days to submit the good faith effort would mean that delivery of the good faith effort to the Cal Tran offices would be at close of work on the 24<sup>th</sup>. Again, this dead line was meant!

Please investigate your mail room and offices as Rege Construction has turned in the Good Faith Effort in a timely manner to Cal Trans.

Thank you for your consideration in this manner.

Please call with questions.
