Dear Mr. Niven:

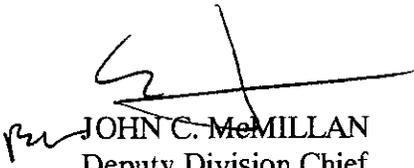

The Department of Transportation (Caltrans) received the attached letter dated August 6, 2014, from CCFG Construction (CCFG) in response to a nonresponsive bid determination on the above contract. CCFG requests Caltrans reconsider that determination.

Caltrans conducted a review of the bid documents as well as this protest and determined that at time of bid, the bidders bond presented by CCFG contained the signature of Katy Travis, dated July 22, 2014, the commissioned stamp #1896046 expired on July 19, 2014. As such, CCFG did not have a properly executed bidders bond. Therefore, it remains the finding of Caltrans that this bid is nonresponsive.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
