Subject: Response to nonresponsive letter for Contract # 04-4A8304

Dear Mr. McMillan:

The nonresponsive letter that was received by CCFG on Aug 5th states that the bid bond must be notarized by a valid commissioned notary. Although the bid bond had an expired stamp on it, that does not change the fact that the notary was, at the time of the bid, a valid commissioned notary.

CCFG Construction would like submit the attached letter from our bonding company HCC Surety Group for review. It shows that the notary was a valid commissioned notary as of 7-20-2014.

RE: CCFG Construction
Bid Bond for Caltrans Contract No. 04-4A8304 on July 29, 2014

Dear Mr. Frediani:

It's my understanding that the bid bond issued by American Contractors Indemnity Company on behalf of CCFG Construction for Caltrans Contract No. 04-4A8304 on July 29, 2014 has been rejected due to an expired notary commission. Katy Travis (now Katy Taylor due to a recent marriage) continues to be a commissioned notary, new commission is attached. American Contractors Indemnity Company stands behind their commitment in regards to this bid bond. This error was a simple oversight and I trust that Caltrans will understand and reconsider their position.

If there is anything I can do to assist or if Caltrans would like to discuss please do not hesitate to contact me. We can easily re-issue a new (corrected) bid bond if needed.

Sincerely,

Eric J. Fedors
