Re: Caltrans Contract No. 04-4J6304
Bid Protest – Northstate Earth and Water Inc.

Dear Ms. Sewell:

CE Green Inc would respectfully request that the District consider the following with respect to the bid submitted by Northstate Earth and Water Inc.:

1 – The bid documents state “Names of first tier DVBE subcontractors and their items of work listed must be consistent with the names and items of work in the Subcontractors List (Pub Cont Code 4100 et seq.) submitted with the bid...” It then goes on to say, “If 100% of an item is not performed or supplied by the DVBEs, the exact part, including the planned location of work to be performed, of item to be performed or supplied by DVBE is to be described.”

2 - Northstate Earth and Water Inc. named Roll 'N Rock Construction Inc as a DVBE subcontractor under Bid Item 5, but failed to define the exact portions of work that Roll 'N Rock Construction Inc. would perform.

3 – Northstate’s bid is inconsistent. In the preliminary bid results, Roll 'N Rock Construction Inc. is listed for 5% of Bid Item 5 for “excavation, water truck, building”. Yet, in the post bid files, on the DVBE Summary, Roll 'N Rock Construction Inc is listed for 5% of Bid Items 4 and 5 for “concrete washout, excavation and building” and again fails to describe the portions of work that Roll 'N Rock will provide.

CE Green Inc hereby requests that the bid submitted by Northstate Earth and Water Inc. be deemed as unresponsive due the above facts.
