Dear Mr. Jenny:

Pavex Construction Division (Pavex) submitted a bid on contract 05-0R9104 on August 13, 2013. Pavex listed the percentage of work to be performed by D & M Traffic Services and KRC Safety Co. as 100% and 91% respectively for bid item 3, Construction Area Signs, on its Subcontractor List. In addition, Pavex listed both D & M Traffic Services and Central Fence to perform 100% of bid item 55, Guard Rail Delineator.

Public Contract Code Section 4106 States in pertinent part:

“If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractor’s bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself.”

If Pavex is awarded contract 05-0R9104 it must perform bid items 3 and 55 with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration compliance.
