1. **DELIVERY:** Delivery shall be F.O.B. [] Project Location [X] Seller's Plant [] Other. Material shall be delivered or made available in accordance with a schedule mutually agreed upon by the Purchaser and Seller. Any charges at destination for spotting, switching, handling, storage and/or other accessorial services, and demurrage, shall be paid by Purchaser. Plant standby time, job cancellation, damages caused by Purchaser or Purchaser's trucker, added surcharges and force majeure events will be the responsibility of Purchaser. Purchaser will schedule delivery of aggregates and asphalt concrete and trucking with Seller's designated material dispatcher. Should Seller not be responsible for trucking, Purchaser will be responsible to schedule all trucking needs directly with the Purchaser's trucker of choice. Seller will not be responsible for any non-performance of the trucker operating under the direction of Purchaser. Should Purchaser designate a trucker to perform hauling of Materials under this MQ, Purchaser indemnifies and holds Seller harmless for costs or damages incurred due to the acts or omissions of such trucker.

2. **TERMS OF PAYMENT:** Purchaser shall pay Seller at the prices given in the table below. Payment shall be due no more than thirty (30) days from the date of the invoice in the full amount of the invoice without retention of any amounts by Purchaser. Purchaser's failure to pay all amounts owing when due shall be deemed a material breach of this MQ and Seller may, at its option, (i) terminate this MQ; (ii) require payment to be made in advance of future deliveries; or (iii) place future deliveries on a C.O.D. basis. Amounts past due shall bear an interest charge computed from the due date at the lesser of the maximum interest rate allowed by law or at the rate of 1.5% per month. Purchaser agrees to pay all costs and expenses of collecting past due accounts, including actual attorneys' fees, incurred whether or not a suit or action is filed, on appeal or otherwise.

OPENING FEE OF \$1000 PER NIGHT IF IS LESS THAN 500 TONS.

4. **STANDBY TIME:** Not Applicable.

5. **PRICE ESCALATION:** Purchaser acknowledges that national and regional supply shortages for the raw material necessary for the production and delivery of the Material may occur and that the prices for oil, liquid propane, gasoline, diesel, natural gas and electricity (collectively "Fuel") as well as liquid asphalt, Portland cement and lime (collectively "Elements") may increase during the term of this MQ. In the event that Seller incurs cost increase(s) in Fuel or Elements such that the purchase price of any Material to be supplied under this MQ is increased to reflect the same cost increase incurred by Seller for the Fuel and Elements of that Material and would result in an increase in the price of said Material of greater than: (i) 10% for aggregate type Material; (ii) 6% for asphaltic concrete type Material; or (iii) 4% for Portland cement type Material, then Purchaser and Seller shall negotiate to mutually agree upon a revised price for the Material yet to be delivered under this MQ. The terms and conditions of this MQ may be accepted by the Purchaser ("Acceptance") only by one of the following alternatives performed within the Acceptance Period: (i) Purchaser's execution and delivery to Seller of this MQ; or (ii) the Purchaser placing either a written or oral order for all or a portion of the Material quoted under this MQ or (iii) Seller's commencement of performance. This MQ can only be modified in writing and signed by both parties. Any and all additional or different terms proposed by Purchaser, whether contained in Purchaser's purchase order, shipping release forms, prior practice between the parties, or on any modification to this MQ by Purchaser shall not be binding on nor obligate Seller unless prior to Acceptance this MQ is returned with Purchaser's full counter-proposal and is then signed and dated by Seller's authorized representative. The issuance or the execution of this MQ shall not be intended or construed as creating an exclusive or requirements supply agreement between Purchaser and Seller.

7. **READY MIX CONCRETE ADDITIVES (if applicable):** Seller shall not be responsible for the effect on slump, strength, or quality of any concrete to which water or any other materials are added at the direction of Purchaser or Purchaser's representatives. Seller does not guarantee pumpability of mixes since Seller has no control over the type of pumping equipment used or the conditions that prevail. When color additives or any other additives or add agents are added to ready-mix concrete ("Additives"), they may be at the request and instructions of Purchaser. In such event, Seller's warranty is limited to Purchaser's recovery under the Additive manufacturer's warranty and Seller does not warrant or guarantee the results or effects of Additives on the ready-mix concrete product to which they are added.

8. **DELIVERY:** Where delivery off of Seller's facility is Seller's responsibility, Seller or its contract hauler will enter upon the delivery location only as a convenience to Purchaser and Purchaser specifically waives and agrees to defend, indemnify and hold Seller harmless from and against any claim or liability or action against Seller because of damage caused thereby including, but not limited to, damage to concrete surfaces, pipelines or underground structures or utilities. Purchaser agrees to provide clear, substantial and suitable access to the point of delivery.

9. **INSPECTIONS AND ALTERATIONS:** It shall be Purchaser's responsibility to make, or cause to be made, and pay for such inspections and tests as may be required at Seller's facility or the F.O.B. location to assure the Material meets any requirements of Purchaser other than that specified in this MQ.

10. **FORCE MAJEURE:** Seller shall not be liable for failure to perform or delay in delivery by reason of any contingency or occurrence reasonably beyond Seller's control which shall be defined to include, but not be limited to, actual or threatened strikes, labor disputes, boycotts, work stoppages, or work slowdowns or fire, flood, inclement weather, embargos, war, governmental authority, or regulations, including allocations, preferences, and priorities established by or for the government, or shortage or failure of raw material or transportation which makes performance by Seller under any MQ more costly. If such delay continues for a period of more than sixty (60) days, Purchaser shall have the right, upon seven (7) days written notice to Seller, to terminate this MQ.

11. **INTEGRATED AGREEMENT:** This MQ sets forth the entire agreement between Seller and Purchaser with respect to its subject matters. All prior and contemporaneous conversations, practices between the parties, quotes, offers, negotiations, representations, promises and warranties with respect to said subject matters are waived, merged herein and superseded thereby. NO OTHER WARRANTIES OF ANY KIND ARE MADE BY SELLER AND SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES TO THE FULLEST EXTENT PERMITTED BYLAW, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE. Purchaser's exclusive remedies for breach of this express warranty with respect to any non conforming Material shall be limited solely, at the option of Seller, to (i) replacement of the non-conforming Material to the F.O.B. delivery point or (ii) the cost to replace the non-conforming Material to the F.O.B. delivery point. Seller shall be given a reasonable opportunity to investigate and cure any non-conformance. Seller's breach of warranty obligation shall not extend beyond the last to occur of: One (1) year following substantial completion of the Project for which the MQ applies or one (1) year from the last delivery of Material under this MQ. Seller's liability for any other breach of this MQ shall be limited to the difference between the delivered price of the Material covered hereby and the market price of such Material at the F.O.B. point specified above. In no event shall Seller be liable for loss of profit, delay or any incidental or consequential damages.

13. **EXCLUSIVE TERMS AND CONDITIONS; MODIFICATION:** No terms and conditions other than those stated herein and no agreement or understanding in any way purporting to modify these terms and conditions shall be binding on Seller unless made in writing and signed by Seller.
