Dear Mr. McAuley:

The Department of Transportation (Caltrans) received a bid from Calportland Construction (Calportland) for contract 05-0T0004 on August 13, 2013. By way of this letter, Caltrans notifies Calportland that its bid is nonresponsive because of a revision to the Subcontractor List form.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid."

On the original submitted Subcontractor List, Calportland identified bid item 66, Jointed Plain Concrete Pavement, to be performed by Precision Concrete Inc. However, on the second submitted Subcontractor List submitted on August 14, 2013, bid item 66 was deleted from columns 2 and 4.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

John C. McMILLAN
