Subject: sub contracting opportunities

Denise:

Thank you so much for returning my call! it was a real pleasure!.

What we do here at the Monterey Bay PTAC is give free counseling to Small Businesses that want to do business with local Government, Public works, Federal Government and DOD.

We have an entire database full of subcontractors that range from anything from IT, Construction, Paving, Electricians, Painting, Security, you name it. We have numerous Outreach programs, DVE, SDVOSB, WOSB. (8) a and HUD Zone.

We are a non-profit that is funded in a joint collaborative effort with the Defense Logistics Agency and the Monterey County Business Council.

We would like to get on a mailing list for solicitations and bidding, should you need subcontractors, you would send me an email notification on what types of subs and what type of set aside and I will do a search in our database and send out the information. In addition, next time you have a class or outreach event I would be more than happy to pass the word out.

Thank you again!

Have a great day!

The Monterey Bay PTAC, which serves as a Procurement Technical Assistance Center (PTAC), is funded in part through a cooperative agreement from the Department of Defense (DoD) through a program that is administered by the Defense Logistics Agency (DLA). Funding is also provided by the Monterey County Business Council, the County of Monterey, the City of Salinas, and in-kind support. The content of any written materials or verbal communications of the PTAC does not necessarily reflect the official views of or imply endorsement by DoD or DLA.
