Dear Mr. Brough:

The Department of Transportation (Caltrans) received a bid submitted by Brough Construction, Inc. (Brough) for Contract No. 05-1F6104 on April 16, 2015. By this letter, Caltrans notifies Brough that its bid is nonresponsive since Brough did not comply with Contract Revised Standard Specifications, BID DOCUMENT COMPLETION AND SUBMITTAL, Section 2-1.33, which states in part:

"...The Subcontractor List must show the name, address, and work portions to be performed by each subcontractor listed. Show work portions by bid item number, description, and percentage of each bid item subcontracted".

On the Subcontractors List form, Brough listed Veteran Diversified, Inc. (Diversified) to perform bid item 16 (Cold Plane) and listed partial for the percentage of work being performed. However, on April 17, 2015, at 12:15 p.m., Brough faxed an additional Subcontractor's List form listing Diversified to perform bid item 16 (Cold Plane) and listed 23.2% for the percentage of work being performed for that bid item.

The Subcontractor List form can only be submitted at the time of bid, no other submittals can be accepted. For this reason, Brough bid is nonresponsive

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

for JOHN C. McMILLAN
Deputy Division Chief
Office Engineer
