Dear Mr. Stewart:

The Department of Transportation (Caltrans) received a bid from RGW Construction, Inc. (RGW) on contract 05-1F8904 on April 14, 2015. RGW listed both Verdico Group and Chrisp Company to perform 100% of work described as Lead Compliance Plan (bid item 1). RGW also listed both Austin Enterprise and Harris Rebar to perform 100% of work described as Bar Reinforcing Steel (Bridge) (bid item 57) on its Subcontractor List form.

Public Contract Code Section 4106 States in pertinent part:

*"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself."*

If RGW is awarded contract 05-1F8904, it must perform bid items 1 and 57 with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration compliance.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

*for*
