Material shall be delivered or made available in accordance with a schedule mutually agreed upon by the Purchaser and Seller. Where delivery off of Seller's facility is Seller's responsibility, Seller or its contract hauler will enter upon the delivery location only as a convenience to Purchaser and Purchaser specifically waives and agrees to defend, indemnify and hold Seller harmless from and against any claim or liability or action against Seller because of damage caused thereby including, but not limited to, damage to concrete surfaces, pipelines or underground structures or utilities. Seller does not warrant or guarantee Additives or the ready-mix concrete product to which they are added.

6. **INSPECTIONS OR ALTERATIONS:** It shall be Purchaser's responsibility to make, or cause to be made, and pay for such inspections and tests as may be required or desired at Seller's facility or the F.O.B. location to assure the Material meets any requirements of Purchaser other than that specified in this Quote.

7. **INTEGRATED AGREEMENT/ EXCLUSIVE TERMS/ MODIFICATION:** This Quote sets forth the entire agreement between Seller and Purchaser with respect to its subject matters; provided, however, that in the event Purchaser and Seller are parties to a Purchase Agreement on Seller's form of Purchase Agreement, then this Quote is intended to be integrated with and part of the Purchase Agreement. In the event of any conflict between an item on the first page of this Quote and the Purchase Agreement, the provision on the first page of this Quote shall govern. In the event of any conflict between an item in these Terms & Conditions and the terms and conditions of the Purchase Agreement, the Purchase Agreement shall control. Except with regard to any such Purchase Agreement, all

prior and contemporaneous conversations, practices between the parties, quotes, offers, negotiations, representations, promises and warranties with respect to said subject matters are waived, merged herein and superseded hereby. This is a fully integrated agreement. No terms and conditions other than those stated herein and no agreement or understanding in any way purporting to modify or supplement these terms and conditions shall be binding on Seller unless made in writing and signed by Seller. Seller hereby objects to and rejects any and all additional or different terms proposed by Purchaser, whether verbal, contained in Purchaser's purchase order or shipping release forms.

8. **PRICE ESCALATION:** The prices stated on the first page of this Quote are subject to adjustment: (a) if and as stated on said first page; (b) if no quantity amounts are stated on the first page, then as and when determined by Seller upon written notice to Purchaser; and (c) on account of increases in Fuel and Elements costs as described in this paragraph. Purchaser acknowledges that national and regional supply shortages for the raw material necessary for the production and delivery of the Material may occur and that the prices for oil, liquid propane, gasoline, diesel, natural gas and electricity (collectively "Fuel") as well as liquid asphalt, Portland cement and lime (collectively, "Elements") may increase during the term of this Quote. In the event that Seller incurs costs increases in Fuel or Elements such that if the purchase price of any Material to be supplied under this Quote is increased to reflect the same cost increase incurred by Seller for the Fuel and Elements of that Material and would result in an increase in the price of said Material of greater than: (i) 10% for aggregate type Material; (ii) 6% for asphaltic concrete type Material; or (iii) 4% for Portland cement type Material, then Purchase and Seller shall negotiate to mutually agree upon a revised price for the Material yet to be delivered under this Quote. If the parties cannot agree upon a revised price for such Material, then either Party may, upon two (2) days' written notice, terminate this Quote as to any Material not delivered to Purchaser as of the date of termination.

9. **WARRANTY/REMEDIES:** SELLER WARRANTS THAT THE MATERIAL WILL, AT THE POINT AND TIME OF DELIVERY, CONFORM TO THE SPECIFICATIONS SET FORTH ON THE FACE HEREOF. NO OTHER WARRANTIES OF ANY KIND ARE MADE BY SELLER AND SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES TO THE FULLEST EXTENT PERMITTED BY LAW, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. Purchaser's exclusive remedies for breach of this express warranty with respect to any nonconforming Material shall be limited solely, at the option of Seller, to (i) replacement of the nonconforming Material to the F.O.B. delivery point; or (ii) the cost to replace the nonconforming Material to the F.O.B. delivery point. Seller shall be given a reasonable opportunity to investigate and cure any nonconformance. Seller's breach of warranty obligation shall not extend beyond the last to occur of: one (1) year following substantial completion of the Project for which the Quote applies; or one (1) year from the last delivery of Material under this Quote. Seller's liability for any other breach of this Quote shall be limited to the difference between the delivered price of the Material covered hereby and the market price of such Material at the F.O.B. point specified above. In no event shall Seller be liable for loss of profit, delay or any incidental or consequential damages. In no case shall Seller's liability hereunder exceed the sum of the amounts actually paid by Purchaser to Seller under this Quote.

10. **FORCE MAJEURE:** Seller shall not be liable for failure to perform or delay in delivery by reason of any contingency or occurrence reasonably beyond Seller's control which shall be defined to include, but not be limited to, actual or threatened strikes, labor disputes, boycotts, work stoppages, or work slowdowns or fire, flood, inclement weather, embargos, war, governmental authority, or regulations, including allocations, preferences, and priorities established by or for the government, or shortage or failure of raw material or transportation which makes performance by Seller under any Quote more costly. If such delay continues for a period of more than sixty (60) days, Purchaser shall have the right, upon seven days written notice to Seller, to terminate this Quote.

11. **PROPOSITION 65 NOTICE:** THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER, BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM.

12. **MISCELLANEOUS:** Time is of the essence in this Quote. This Quote is governed by California law, without regard to its internal conflicts of laws regime.
