Re: **Subcontractor List Form Clerical Error**
Contract No. 05-4482U4
Construction on State Highway in Santa Barbara County in Carpinteria from 0.2 Mile South of
Carpinteria Creek Bridge to Franklin Creek Bridge, In District 05 On Route 101

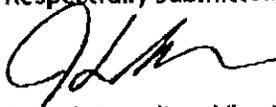

Dear Ms. Smith:

In accordance with Public Contract Code 4107.5, Security Paving Company, Inc. ("Security Paving") requests to assert a claim of inadvertent clerical error on the Subcontractor List Form included with our bid on April 27, 2016 for the Construction on State Highway in Santa Barbara County in Carpinteria from 0.2 Mile South of Carpinteria Creek Bridge to Franklin Creek Bridge, In District 05 On Route 101, Contract No. 05-4482U4. The following clerical error was listed on our Subcontractor List Form:

Subcontractor Field #15: Subcontractor High-Light Electric, Inc. was listed to perform 100% of the work in Bid Item No. 268 and the bid form should read, instead, that High-Light Electric will perform 100% of the work in Bid Item No. 286. The bid item numbers were inadvertently transposed during submission of the electronic bid form. High-Light Electric is also listed to perform 100% of the electrical work in Bid Item Nos. 278, 279, 280, and 281. The scope of work identified for Bid Item No. 286 is related to electrical work, whereas the scope of work identified for Bid Item No. 268 is related to striping, not electrical work. Chrisp Company (Subcontractor Field #22) was listed by Security Paving to perform striping work, including 100% of Bid Item No. 268. The error in listing 26B instead of 286 for High-Light Electric is clearly typographical and constitutes an inadvertent clerical error. The error does not change or alter the amount of the bid or the work to be performed by High-Light Electric.

If Caltrans does not accept Security Paving's submission of the inadvertent clerical error, then Security Paving is prepared to self-perform Bid Item No. 268 since two subcontractors were listed for that scope of work. Please let us know if you have any questions in regard to this matter.

Respectfully submitted,

Joseph Ferndino, Vice President
Security Paving Company, Inc.
