Dear Ms. Emmett,

The Department of Transportation (Caltrans) received a bid submitted by Emmett's Excavation, Inc. (Emmett's) for Contract number 06-0M0504 on August 13, 2015. Caltrans acknowledges that Emmett's did submit the DBE Commitment form, written confirmation, and Good Faith Efforts documentation by 4:00 p.m., on the 4th business day after bid opening, but Caltrans finds Emmett's non-responsive per the contract Revised Standard Specification Sections listed below:

Section 2-1.04, Contractor Registration: *"No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]."*

Emmett's failed to provide the Department of Industrial Relations' Public Works Contractors Registration (PWCR) number for the subcontractors (Clay Miranda Trucking, Inc. and Adanta, Inc.) listed on its Subcontractor's List form due at time of bid.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in cursive that reads "Vivian Tam for".
