West Coast Structures, Inc. dba Western Structures**Terms, Conditions and Exclusions**

The list of Western Structures Terms, Conditions and Exclusions, along with the preceding Proposal dated January 10, 2013, shall be included as part of any contract and shall prevail over any conflicting terms.

Prime Contractor shall release 100% Retention 35 days after Western Structures work is complete.

INSURANCE: Western Structures limit is one million. If more limits are required, all additional insurance, premiums, and fees are to be paid by the Prime Contractor. **EXCLUDES-Railroad Insurance, Waiver of Subrogation, Longshoremen's Insurance (All available at Prime Contractor's Expense)**

Excludes-Engineering, Inspection's, Permits, Fees, City Licenses, or Testing of any type.

Western Structures will not be responsible for delays due to lack of, and/or incorrect or inadequate Contractor furnishes schedule material, access, and structure not ready. Time delays which are out of Western Structures control and in control of the Prime Contractor, or his other subcontractors, will be charged at Cal-Trans rates.

NO EXTRA WORK until an agreement on price and time is given to Western Structures in the form of written authorization from the Prime.

NO BACK CHARGES will be accepted without prior written authorization from Western Structures.

No Corrective work by others; Western Structures will correct its own work.

Force-account work to be paid in accordance with Cal-Trans special provisions or agreed upon price.

Western Structures is not responsible for vandalism or damage to concrete barrier after barrier is placed and furnished.

Western Structures is not responsible for damage or on-site clean-up of instances done by others than Western Structures own work force.

Any item or items of work may be deleted from Western Structures proposal if requested by Prime Contractor and agreed upon before bid date. Western Structures proposal is to be considered complete per their listed work. Western Structures price is based only on items listed in our proposal.

Prime Contractor to provide at all bridges, Cal-OSHA approved working scaffold and protective cover over traffic and environmental impacted areas.

Prime Contractor to provide adequate access suitable for concrete to be end-dumped from Ready Mix Trucks; 12' wide work area.

Prime Contractor to provide adequate access to Western Structures work and not hinder work or work schedule.

Prime Contractor to provide secure area for Western Structures material and equipment.

Prime Contractor is to schedule a minimum 8-hour workday.

No weekend work (Saturday & Sundays), and additional lighting.

Prime Contractor to provide a source of water within job limits to Western Structures free of charge.

Prime Contractor to provide sanitation facilities.

All work completed by Prime Contractor or their subcontractors to be completed according to applicable job plans and specifications.

WESTERN STRUCTURES Exclusions – (See Page 1 of Proposal For Any Items Listed Here That We May Include on a Per-Contract Basis)

Sealant, Texture, Stain, Paint, Sandblasting of any kind, Preparation and Architectural Treatment, Drill and Grout Dowels.

Embedded Items – (Installing of Bolts, Utility Pipe, and/or Conduits, and Block-Outs, Bulkheads, etc.)

Miscellaneous Metals and Metal Embeds of any kind.

Electrical; Graffiti removal.

Restoration Work, AC Paving or Patching

Traffic Control – NOTE: Traffic Control to be provided per special provisions by Prime Contractor.

Construction Signs, Cones, Delineators, Protective Barriers, Fencing, K-Rail or Barrier Markers.

Survey- NOTE: Adequate Staking to be provided by the Prime Contractor.

Layout, All Excavation, Backfill and All Shoring; De-Water and Water Control.

Dust Control, Surface Water Handling, or Erosion Control

Clearing or Grubbing; Removal or Haul Away; Hazardous Waste Removal.

CPM Schedule or apportioned cost thereof.

Quote # 13-0126
 Contract # 06-0M2004
 Bld Date 1/30/2013
 Start Date ????
 Terms net 30

Description	CF	CF Price	Total
PPC 1121 Drums & 2-ton SS	1,171	\$63.36	\$74,194.56
Estimated Freight			\$4,000.00
		Sub Total	\$78,194.56
Sales Tax 7.5%			\$ 5,564.59
		Total	\$ 83,759.15

Note: If product is ordered in tankers and dropped at the job site, the demurrage fee is \$150/day plus a round trip "Bob Tail" charge of \$2.50/mile from tanker rental company to jobsite. PPC 1121 is sold by Volume. KBP has estimated the neat line quantity based on plan minimum thickness. Many projects will require more material than neat line quantities. Bidders are advised to include an appropriate escalation in their bid to account for waste. Sales Tax rate subject to change. Tech Service Fee - \$450/day plus all travel expenses- air, car, hotel, expenses based on actual cost.

Freight is an estimate only and based on full truck load releases of material. Freight rates are subject to change without notice based on availability & current market prices at time of delivery. Actual freight costs for shipping all material and associated demurrage, back haul, and fuel surcharges charges will be billed to contractor.

*** PPC 1121 is a composite system that requires all components be supplied by Kwik Bond Polymers. Use of any materials in the polyester concrete not approved by KBP will void any warranties and may result in product failure.

Inclusions: The amount of materials to produce average PPC unit weight of 135 lbs/cf and 12% resin content along with sufficient primer to meet spread rates according to special provisions or specifications. The estimate is developed on working temperatures of 70F. Colder temperatures may require additional accelerators and/or resin at an additional charge.

Lead Time: Contractors should allow maximum lead time, but not less than 5 weeks prior to delivery date.

Terms: Quotation is subject to Kwik Bond Polymers, LLC Standard Terms & Conditions in effect at the time of this quotation.

Delivery is subject to contractor being current on all obligations owed to Kwik Bond Polymers as of the date of requested delivery.

Prices: Unit prices are good for shipments through 6-30-2013

Randy Slezak- Kwik Bond Polymers

Standard Terms and Conditions

1. This quotation is subject to product availability. Kwik Bond Polymers, LLC is not responsible for material shortages not within its control.
2. This quotation will become a commitment by Kwik Bond Polymers, LLC only after receipt of written acceptance from the contractor accepting all the terms and conditions set forth as part of Kwik Bond's quotation. An estimated ship date is required as part of the quotation acceptance. A firm price will be quoted for a specified period of time. Otherwise, the attached quotation is good for 90 days only. Any shipments after the quoted firm protection period are subject to price escalations. For longer term projects, an estimated escalation percentage will be provided at bid time. Unless price guarantees are secured by written acceptance of a quotation, a letter of intent to accept quotation subject to award of contract, or Material Purchase Contract, prices quoted for any contract are subject to change without prior notification.
3. Mineral aggregates will be supplied in 1.5 or 2 ton super sacks. Aggregates are available in 50 lb bags at adjusted pricing unless specifically included in this quotation. Broadcast sand will be available in 50 lb bags. Pallets are non-refundable and become the property of the purchasing contractor. Due to liability limitations super sacks are not reusable and become the property of the Contractor. Super sacks and broadcast sand will include shrink-wrapping for full pallet quantities.
4. Large overlay projects requiring more than 10 truckloads of aggregates may require stockpiling of aggregates. Kwik Bond Polymers, LLC will invoice for materials-on-hand or a progress invoice for materials delivered to a project. Payment for stockpiled materials must be made according to these Standard Terms and Conditions.
5. Resin will be supplied in 496 lb drums or tank trucks, 3,000 lb totes may be available from time to time and are subject to additional fees. For drum shipments, the empty drums become the property of the contractor. For Tank Truck shipments, there is a \$150.00/day demurrage charge to Contractor for dropped trailers and a bobtail charge of \$2.50/mile to and from origination point to jobsite. For multiple tank truck shipments, an accurate schedule of deliveries is required at least 5 weeks prior to start of project or necessary transportation may be unavailable resulting in delays and/or additional expenses to Contractor.
6. The quantity quoted for any given project, is an estimated quantity and does not provide for any waste. Contractor should allow for approximately 5% waste from the trial slabs required, calibration of equipment, and buildup on equipment. Contractor will be invoiced for actual quantities ordered and delivered at the above unit prices regardless of whether the actual quantities delivered are within the quantities paid for by the project owner.
7. Kwik Bond Polymers, LLC is not responsible for unloading materials from delivery trucks at job sites. Please be sure to coordinate delivery schedules and unloading manpower. Contractor is responsible for any unloading delay fees.

.....

January 29, 2013

2

Page

8. **Terms of sale:** Terms are 1% discount off invoice price, not including freight or sales tax, for payments received within 10 days of invoice date or full invoice price due in net 30 days. All materials must be paid for, in full, within 60 days of ship date regardless of Contractor receiving payment from the specifying agency. Any payments past 60 days, from date of ship date, will be charged a finance charge equal to 1% per month of the outstanding balance from the ship date until payment is received. Kwik Bond Polymers, LLC is not subject to any "pay when paid" clause in Contractor's contract documents. No shipment will be made if there are outstanding balances owing to Kwik Bond Polymers, LLC on this or any other job which are past due, until all outstanding balances are brought current.
9. **Materials handling and Storage:** Contractor is required to protect the aggregates from moisture contamination. The Contractor is also responsible for the safe storage of all materials supplied. Methacrylate monomer, Binder resin and catalysts must be stored in a cool, dry location. Temperature exposure must be less than 80° F. Drums and totes of material must be shaded from direct sunlight as well. Contractor shall make provisions to protect materials from high temperatures. Promoters/cobalts and peroxides are incompatible materials and must be stored away from each other. Contractor will arrange with Kwik Bond Polymers, LLC for a training meeting in the safe handling and application of high molecular weight methacrylate sealer materials prior to delivery.
10. **Materials Return Policy:** Mineral aggregates cannot, under any circumstances, be returned for credit. Other products in unopened containers as determined in the sole opinion of Kwik Bond Polymers, LLC, proven to be stored properly, and less than 6 months old, will be considered for return for credit but subject to a 50% restocking charge. Materials cancelled, after manufacturing, are subject to a 50% restocking charge even if not delivered to the project site. All return shipping and loading expenses are for the account of the Contractor.
11. Kwik Bond Polymers, LLC warrants that all products supplied pursuant to this quotation shall conform in all respects to the applicable specifications for this project as of the date of delivery to Contractor. Kwik Bond Polymers, LLC further warrants that provided Contractor follows all storage, handling, mixing and application instructions, the final product shall perform in accordance with the applicable specifications for this project. There are no other warranties, expressed or implied, including warranties of merchantability or fitness of use, except those set forth herein.
12. Kwik Bond's liability for failure of product shall be limited to replacement of any failed product or refund of the purchase price thereof, at Kwik Bond's option. Kwik Bond Polymers, LLC shall not be liable for damages, either direct or consequential, (including assessed penalties) arising out of any of the following:
 - 12.1 Contractor's equipment failure, unskilled workers, acts of God, bad weather or ambient conditions below minimums or above maximums, failure to follow instructions, failure to follow mix designs, deck temperatures that are too high or low.
 - 12.2 Delays to Contractor's performance of Contractor's contract due to circumstances beyond Kwik Bond's control including, but not limited to, delays in obtaining product approval, delays in placement of order by Contractor, unavailability of product or any component thereof.
 - 12.3 Defective product which is adjusted pursuant to Kwik Bond Polymers LLC's warranty as provided above.
13. At all times during placing operations using these products, Contractor shall be prepared to implement appropriate remedial action, listed on product data sheets, or otherwise available to minimize damages

January 29, 2013

3

Page

and penalties which might result in the event of product failure or failure to set up within time requirements.

14. Contractor shall indemnify and hold Kwik Bond Polymers, LLC harmless from any liability for personal injury, property damage, contract damages, penalties, attorneys fees, costs and litigation expenses arising out of Contractor's failure to follow Kwik Bond Polymers, LLC instructions regarding mix, design, application, storage and/or handling; failure to staff the job with qualified and trained personnel; failure of Contractor's equipment, or other cause enumerated in Section 12, above.
15. Materials and services supplied by Kwik Bond Polymers, LLC for this contract are not subject to retention.

Prime Contractor shall release 100% Retention 35 days after Western Structures work is complete.

INSURANCE: Western Structures limit is one million. If more limits are required, all additional insurance, premiums, and fees are to be paid by the Prime Contractor. **EXCLUDES-Railroad Insurance, Waiver of Subrogation, Longshoremen's Insurance (All available at Prime Contractor's Expense)**

Excludes-Engineering, Inspection's, Permits, Fees, City Licenses, or Testing of any type.

Western Structures will not be responsible for delays due to lack of, and/or incorrect or inadequate Contractor furnishes schedule material, access, and structure not ready. Time delays which are out of Western Structures control and in control of the Prime Contractor, or his other subcontractors, will be charged at Cal-Trans rates.

NO EXTRA WORK until an agreement on price and time is given to Western Structures in the form of written authorization from the Prime.

NO BACK CHARGES will be accepted without prior written authorization from western Structures.

No Corrective work by others; Western Structures will correct its own work.

Force-account work to be paid in accordance with Cal-Trans special provisions or agreed upon price.

Western Structures is not responsible for vandalism or damage to concrete barrier after barrier is placed and furnished.

Western Structures is not responsible for damage or on-site clean-up of instances done by others than Western Structures own work force.

Any item or items of work may be deleted from Western Structures proposal if requested by Prime Contractor and agreed upon before bid date. Western Structures proposal is to be considered complete per their listed work. Western Structures price is based only on items listed in our proposal.

Prime Contractor to provide at all bridges, Cal-OSHA approved working scaffold and protective cover over traffic and environmental impacted areas.

Prime Contractor to provide adequate access suitable for concrete to be end-dumped from Ready Mix Trucks; 12' wide work area.

Prime Contractor to provide adequate access to Western Structures work and not hinder work or work schedule.

Prime Contractor to provide secure area for Western Structures material and equipment.

Prime Contractor is to schedule a minimum 8-hour workday.

No weekend work (Saturday & Sundays), and additional lighting.

Prime Contractor to provide a source of water within job limits to Western Structures free of charge.

Prime Contractor to provide sanitation facilities.

All work completed by Prime Contractor or their subcontractors to be completed according to applicable job plans and specifications.

WESTERN STRUCTURES Exclusions -- (See Page 1 of Proposal For Any Items Listed Here That We May Include on a Per-Contract Basis)

Sealant, Texture, Stain, Paint, Sandblasting of any kind, Preparation and Architectural Treatment, Drill and Grout Dowels.

Embedded Items -- (Installing of Bolts, Utility Pipe, and/or Conduits, and Block-Outs, Bulkheads, etc.)

Miscellaneous Metals and Metal Embeds of any kind.

Electrical; Graffiti removal.

Restoration Work, AC Paving or Patching

Traffic Control -- NOTE: Traffic Control to be provided per special provisions by Prime Contractor.

Construction Signs, Cones, Delineators, Protective Barriers, Fencing, K-Rail or Barrier Markers.

Survey- NOTE: Adequate Staking to be provided by the Prime Contractor.

Layout, All Excavation, Backfill and All Shoring; De-Water and Water Control.

Dust Control, Surface Water Handling, or Erosion Control

Clearing or Grubbing; Removal or Haul Away; Hazardous Waste Removal.

CPM Schedule or apportioned cost thereof.

CONTROL POINTS TO BE PLACED AT FACE OF CURB BEFORE ARRIVAL

DIKE PLACEMENT ON FINISHED SURFACE

1. This quotation will be incorporated into the subcontract between the parties.(either a signed proposal or having those items included as an attachment or included in the contract.)

2. By accepting this bid, the customer agrees to pay Asphalt Dike Construction, Inc. within thirty (30) days of Asphalt Dike Construction, Inc. invoice date. After 30 days 18% APR will be charged to outstanding balances. Customer's receipt of payment is not a condition to customer's obligation to pay Asphalt Dike Construction, Inc. Customer agrees that the funds for this project will not be offset from any claims or disputes on other projects. Retention will be paid to Asphalt Dike Construction, Inc. thirty (30) days after the notice of completion or acceptance, or if no notice is filed thirty (30) days after completion of the project as defined by the California Civil Code. No Retention bill be held on any daily rental rate work.

3. The unit prices quoted are for the estimated quantities set forth herein. The prices are subject to adjustment if the quantity of any item increases or decreases twenty percent (20%) or more from the estimate. Proposal is for Monday through Friday (Non-Holiday) normal daytime hours, unless otherwise noted

4. Asphalt Dike Construction, Inc shall not be responsible for the protection of the finished work and / or any repairs that may be required due to damage by others. Unit prices quoted are for machine extruded asphalt only. Handwork extra. Customer agrees to indemnify and hold APCO harmless from any claims or disputes regardless of whether such claims are founded in whole or in part upon any negligent act or omission of APCO.

5. We require 15 days notice prior to start of work.

6. proposal excludes traffic control, grading & cleaning, layout of control points, permits, testing, bonds, waiver of subrogation, city business license asphalt under dike (pre-pave), asphalt and trucking

****DVBE/SBE #45271****

PROJECT: 06-0M2004

30 JANUARY 2013

Item	Description	Quantity	Unit	Unit Cost	Extension
19	Prepare Deck	15,605	SF	\$0.325	\$5,071.63

The proposed total price to perform all the above services is:

\$5,071.63

* Assuming blasting can be done in 2 regular shifts, meaning enough area will be available to be blasted as needed.

* If more than 2 shifts, then \$2,500.00 per shift to be charged.

Customer to Provide for Blasting Service:

- Traffic control, safety requirements, and measures as needed.
- Work areas must be swept prior to shotblasting work.
- Blowing out cracks.
- Disposal of all concrete dust. CCC will empty concrete dust at work area on plastic. Customer will be responsible for pickup and disposal.
- Preparation and clean in areas our equipment cannot reach.
- All edge work for blasting (if needed).
- Safe job site conditions.
- All lighting.
- Clear access to all areas to be blasted.
- WPCP and water for construction use.
- Invoicing will be done weekly or upon completion.
- Terms are Net 30; Interest at 1.5% per month after 30 days.
- Pricing does not include overtime or premium rates. Overtime rates apply after first 8 hours.
- Pricing is based upon prevailing wages.
- Pricing is based upon non-hazardous materials and that all traffic stripe has been removed prior to work commencement for each shift.
- Delays or stand-by time on-site caused by others will be charged at \$250/hr.
- No liquidated damages.
- Pricing below is based on a minimum of a 4-day consecutive work-week (not including weekends). In the event it is less than 4 days, you will be charged on an additional mobilization.
- No back charges for weather related delays, schedule conflicts or mechanical breakdowns of CCC equipment.
- Does not include removal of coatings, chip seal, contrast treatments or asphalt patches or edges.
- Customer agrees to defend CCC from, and indemnify and hold CCC safe and harmless from any and all claims that may arise from or by virtue of CCC's work at site.
- All current CCC Terms and Conditions apply.
- In the event that CCC incurs legal fees or costs to collect amounts due under the Contract, whether suit is filed or not, CCC shall be entitled to recover and to receive payments of reasonable attorney's fees and costs (including but not limited to filing of notices and liens) it has incurred.

- If there is more than 1 day of no-work during a mobilization (not including weekends) than an additional mobilization charge will be incurred, per occurrence.
- CCC has provided the above pricing based on the information given by the customer and does not guarantee production rates, performance, or profitability.
- Pricing is based upon equipment and technician availability.
- The above pricing is based upon:
 - A maximum of 1 mobilization.
 - Minimum shift charge \$2,500.00.
 - Each additional mobilization shall be \$2,500.00.
 - Based upon one-pass with 330 shot.

Sincerely,

Carolino Construction -- North Region
