DBE "Good Faith Effort" Documentation

State of CA, Dept of Transportation, CALTRANS
Construct Roundabout in Kings County near
Corcoran on Route 43
Contract #06-0M3704, Due 7/19/16

Agee Construction Company
PO Box 629
Clovis, CA 93613

State of CA, CALTRANS DBE Program Good Faith Effort Summary

Outreach Efforts Summary / Narrative:
Agee Construction Company identified the appropriate search engine to search for DBE subcontractors/suppliers for Construct Roundabout in Kings County near Corcoran on Route 43. Agee attempted to post on the US Dept of Commerce MBDA bid matching system but due to website maintenance the system isn't available. Agee sent solicitation to Lamar Heystak with US MBDA who agreed to distribute to their constituents. When US Dept of Commerce MBDA distributes the opportunity those companies are notified of the bid opportunity and bid information. It cannot be determined how many of the companies that were matches are certified as DBE companies, however, the companies that were considered matches are either MBE or WBE companies that do work in the specified region and would potentially be certified and/or eligible to be certified as a DBE contractor. Agee also posted on the US SBA Subnet. US SBA Subnet's exposure is unknown but it is an industry practice to advertise DBE projects on the US SBA Subnet. Agee also advertised in two other Eldridge Bid Reporter publications that outreach to DBEs. Eldridge Bid Reporter publications have 3000+ distribution made up of SBE/DVBE & DBEs. DBEs are roughly 50% of the distribution. Agee then searched the appropriate DBE databases (CUCP & US SBA) to identify potential DBE subcontractors/suppliers that performed the specified services. The Agee list contained 265 potential subcontractors/suppliers. The list includes DBE companies from the CALTRANS Opt-in link that had opted-in to the project for solicitation. Agee sent direct solicitations by fax to 75 potential subcontractors/suppliers that were located in a reasonable proximity to the project. Then Agee sent direct email solicitations to **ALL 265** potential subcontractors/suppliers. Of those 265 potential subcontractors/suppliers, there were 22 emails that bounced (bad emails) and 4 companies declined the opportunity by unsubscribing to the email list. Agee followed up by email at a later date with **ALL 265** potential subcontractors and by phone with the DBE companies that were in close proximity of the project, as wells as, stayed in close contact with DBEs that had questions or had trouble obtaining the bid package.

included:

- Contacted local DBE assistance organizations to obtain a DBE list.
- Solicited Potential DBE Subcontractors/suppiers by fax/email
- Follow-up contact was made by both email & phone with potential DBEs to Confirm Interest/Lack of Interest in Opportunity
