Tarping cost:

I believe to tarp and un tarp you would have to allow 30 minutes total or a little less, which would be charged as s/b time per quote. \$45.00 or less for day time and \$48.00 or less for night or less.  
Hope this helps.

Thanks  
Chris

**Note:** Proposal is based on 1 mobilization to the site, any transportation and relocation of paver will be done by General Contractor (GC). Aggregate Industries SWR, Inc. (AI) will load and unload paver and shuttle buggy unto GC transport. GC is responsible to notify AI in a timely manner in writing of the proposed start date, so that mobilization of equipment and crew can be scheduled upon availability.

**Note:** Proposal is based on working 8 hours of production for the machine each day of work (unless stated in the actual line item). The BWC paver includes (3) three union operators and the shuttle buggy includes (2) two union operators. It is the GC's responsibility to determine the duration appropriate for these circumstances. Therefore, the GC has the task to adjust the number of days to coordinate the BWC paver with his operation. Proposal excludes working premium time, Saturdays and Sundays. Final billing will be billed on the actual quantities of the items listed above. AI will not be held responsible for any costs associated with delays due to equipment failure of any kind, weather or inspections. The GC must supply AI a cleanup area for the BWC paver each night. The GC must be aware that AI uses visqueen each night to lay beneath the paver during cleaning. This visqueen and the oils within must be disposed of by the GC. The GC will also supply the fuel for the equipment ( consumption for each is BWC Paver 12 gal / hr & Shuttle Buggy 12 gal / hr ).

**Note:** The Bonded Wearing Course process can not be profilographed and grinding after the material is placed. This will destroy the BWC material, all profilographing and grinding must be done prior to placement. Due to Bonded Wearing Course being a thin application, AI can not be held responsible for smoothness of final surface caused by irregularities of the initial surface.

**Note:** GC is responsible to supply the asphalt mix design, all emulsion materials (no vabond), all rollers, trucking of material, rakers (labors), loaders, dumpman and any other equipment required to perform the work. This proposal is based on supplying the general contractor with a operated machine rented only. AI is not responsible for compaction of the material or pwl's, this is the responsibility of the general contractor. AI will not be responsible for any overages in tonnage and/or emulsion due to depth of asphalt placement (material may be placed in a thicker depth to correct deficiencies).

**Note:** GC acknowledges & responsibility of the equipment requires periodic maintenance, fuel, change of oil, tire repair & other items necessary & incident to the operation of the equipment. GC shall bear the entire risk of loss & damage to the equipment from any cause, except to the extent such damage is caused by AI's sole negligent acts or omissions. If the equipment or any portion thereof is destroyed, in whole or in part, or is damaged by accident or other casualty, GC & AI will cause the proceeds of any insurance settlement, insurance payment, judicial or arbitral award or any other payment for the damage or destruction of the equipment to be applied to the prompt replacement, repair, restoration, modification, or improvement to the equipment. If the damage payment is insufficient to pay the entire cost of any repair, restoration, modification or improvement, GC shall complete such replacement, restoration, modification or improvement and pay costs thereof in excess of damage payment.

AI Proposal subject to approval by AI credit department. Payments are due net 30. No retention is to be withheld. The terms of this rental agreement shall be included in any contract agreement.

WESTERN EMULSIONS INC. STANDARD TERMS OF SALE

1. **Title:** Title to, and risk of loss of, goods shall pass to Buyer upon Seller's delivery of the goods to the designated freight carrier or transport vessel at Seller's point of manufacture or storage for delivery to Buyer.

2. **Taxes:** Buyer shall pay, or reimburse Seller for, all taxes, duties and other governmental charges of whatsoever kind imposed upon Seller with respect hereto or upon any transaction, goods, use of goods, production of goods, or Seller's purchase or use of raw materials to make goods sold hereunder.

3. **Price and Quantity:** Price and quantity shall be separately designated by Seller for each type of goods hereunder. Unless otherwise stated on the front side hereof, all prices shall be FOB Origin at Seller's point of manufacture or storage as selected by Seller.

4. **Shipping:** To the extent flexibility is allowed by this purchase order for time or size of deliveries, the parties shall reasonably cooperate to coordinate period(s) and time(s) for deliveries hereunder, and Buyer shall give reasonable prior notice as to quantities and scheduling desired.

5. **Credit and Payment:** Seller's duty to perform, and Buyer's right to purchase, hereunder is at all times subject to approval, and continuing approval, by Seller of Buyer's credit worthiness. No assurance or guarantee is made of, or continuation of, any credit or any particular credit; and Seller, without limitation, reserves the right to sell at any time on pre-paid, COD or standby letter of credit, or other secured or collateralized basis acceptable to Seller. Without limitation on Seller's rights and remedies on credit issues or any other cause(s), if Buyer fails to pay any amount promptly when due hereunder or if Seller needs assurance, or further assurance, of Buyer's credit worthiness, Seller may cancel this purchase order, demand different payment terms, suspend or recall deliveries or shipments, impose different credit terms, or impose different requirements for collateral assurance of payment. **ANY SUCH DEMAND MAY BE MADE ORALLY AT SELLER'S ELECTION.** Seller is hereby given an express right to set-off against any amount whatsoever owing, or becoming due, to Buyer hereunder and any amount owing to Buyer by, or becoming due to Buyer from, Seller or any company that is directly or indirectly subsidiary to, parent of, or affiliated with Seller.

Seller shall invoice Buyer for each purchase order, and full payment of each invoice shall be due net thirty (30) days from date of Seller's invoice. Payments not made within agreed or designated terms shall bear interest from original due date at: (i) the rate of 18% per annum or, if this rate is prohibited by applicable law, then (ii) the highest rate allowed by applicable law.

6. **Warranties and Limitations:** Seller warrants only that: (a) Seller has good title to goods covered hereby at the time of delivery to Buyer; and (b) the goods shall conform at the time of delivery to Buyer to the then current written standard specifications of Seller therefor.

**ALL OTHER WARRANTIES OF SELLER, EXPRESSED OR IMPLIED, AND ALL REPRESENTATIONS, GUARANTEES, INSTRUCTIONS, PROMISES, DESCRIPTIONS AND SAMPLES FROM SELLER OF, OR PERTAINING TO, PRODUCT QUALITY, COMPOSITION, CHARACTERISTICS, ENVIRONMENTAL OR HUMAN SAFETY OR HAZARD OR HEALTH AFFECTS, PERFORMANCE OR LIKE MATTERS ARE EXCLUDED. WITHOUT LIMITATION ON THE FOREGOING SENTENCE, ALL IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY AND ALL SELLER WARRANTIES OF FREEDOM FROM PATENT INFRINGEMENT ARE EXCLUDED.** Notwithstanding the foregoing, Seller shall supply a Material Safety Data Sheet complying with applicable law, on the goods.

7. **Acceptance:** To reduce the potential of Buyer re-selling or using nonconforming goods, the following shall apply to each shipment or delivery as to the exclusive procedure of acceptance therefor: Buyer shall: (i) inspect or cause to be inspected the goods within a reasonable time after delivery to Buyer and, in any event, prior to any sale, re-sale, other transfer or use thereof by or for Buyer; (ii) promptly report to Seller any actual or potential non-conformity that Buyer does or should discover prior to sale, re-sale, other transfer or use thereof and hold such available for Seller's prompt inspection; and (iii) not permit any sale, re-sale, other transfer or use of the goods prior to Seller promptly inspecting the same and determining whether Seller will supply replacement goods, or otherwise remedy the non-conformity, as required by Section 10 hereof. Notwithstanding the foregoing sentence, once Buyer re-sells, transfers or uses the goods, Buyer shall be deemed to have accepted the goods and irrevocably waived its right to refund or replacement for non-conforming goods set forth in Section 10 hereof. Further, Buyer shall be solely and exclusively responsible for, and hereby assumes, all risk for all sales, re-sales, other transfer, uses or misuses of the goods by Buyer, or by any third person or entity by, under, through or for Buyer and, further, for determining that the goods are suitable for the eventual end-use thereof by Buyer or any third person or entity by, under, through or for Buyer, including but not limited to any governmental agency or unit.

8. **Excused Performance:** (a) **Force Majeure:** The parties shall be excused from their respective performance hereunder if performance has been prohibited or delayed by any cause(s) beyond the reasonable control of the party claiming an excuse. Such shall include, without limitation, any failure of mechanical or chemical function or equipment normally used by Seller for receipt, manufacturing, handling, or delivering of goods and shortages at or failure of any expected or normal source of supply of goods or raw materials from which goods are derived or manufactured. Promptly after a party determines to claim excuse of performance, the party shall notify the other in writing of the circumstances and consequences claimed and shall use commercially reasonable means to remove the cause(s) in question. In no event shall either party be obligated to settle any demands of, or disputes with, laborers, nor shall either party be excused from paying monies due nor shall Buyer be excused from complying with credit terms of Seller. Quantities affected by such cause(s) shall be dropped from this purchase order, but this purchase order shall otherwise continue in force and effect. In periods of shortage of goods due to such cause(s), Seller shall be entitled to allocate available supply among itself and its affiliated, subsidiary and parent companies and customers, Buyer included.

(b) **Impracticability:** Seller shall have the right to cancel this purchase order without liability if for any reason Seller ceases selling the product line of which the goods are a part or shuts down the units in, or the plant at, which the goods are made or if a change in circumstances (whether foreseeable or unforeseeable) causes Seller to incur a loss on a full cost basis at any time on the sale of the goods hereunder.

(c) **Regulated Price:** If Seller is prevented by law, regulation, rule, order or other governmental action from continuing or increasing any price (assuming continuance or increase of the same is not otherwise prohibited by the express terms of this purchase order), Seller may terminate this purchase order upon giving Buyer 30 days prior notice thereof.

(d) **Alternate Supply:** Under no circumstances shall Seller be obligated to purchase or otherwise obtain goods or raw materials for goods from any other person or entity.

9. **Additional Government Contract Terms:** All other state, local or federal laws which by law or government contract or subcontract with Seller or its affiliates, parent or subsidiary companies have to be a part of this purchase order are incorporated herein by reference; and Buyer agrees to comply therewith to the extent required by law or Seller's commitments to any governmental agency or governmental contractor.

10. **Limited Remedies:** Buyer shall not be entitled to recover incidental, special or consequential damages for any losses, costs, expenses, liabilities and damages (including but not limited to, loss of profits, expenses of operation, down time, all liabilities of Buyer to its customers or third parties) whether direct or indirect and whether or not resulting from or contributed to by the default or negligence of the Seller, its agents, employees, or sub-contractors, which might be claimed as the result of the use or failure of the goods delivered hereunder. **SELLER'S LIABILITY AND BUYER'S EXCLUSIVE REMEDY FOR ANY CAUSE OF ACTION ARISING OUT OF THIS PURCHASE ORDER (INCLUDING WITHOUT LIMITATION ANY WARRANTY CLAIM) IS EXPRESSLY LIMITED, AT SELLER'S OPTION, TO REPLACEMENT OF THE GOODS AT THE F.O.B. POINT STATED HEREUNDER OR PAYMENT NOT TO EXCEED THE PURCHASE PRICE OF THE GOODS AT SUCH F.O.B. POINT FOR WHICH DAMAGES ARE CLAIMED.**

11. **Indemnity:** Buyer shall indemnify, defend and hold harmless Seller from and against any breach of this purchase order by Buyer and from and against any and all liability, of whatever nature or kind, to which Seller might become subject resulting from Buyer's handling, storage, sales, transportation, use, misuse or disposal of goods purchased hereunder including, but not limited to, liability for environmental violations and employee or consumer health or safety. Buyer agrees without limitation to promptly and properly provide to its employees, customer and community representatives, as appropriate, any information provided by Seller relating to hazards, human health, or human or environmental safety on the goods sold hereunder. In addition, if Buyer believes or has reason to believe the information provided to Buyer by Seller is inaccurate or in any way insufficient for any given purpose, Buyer agrees to immediately inform Seller of same, and provide Seller a reasonable opportunity to supplement or correct the information.

12. **Law and Jurisdiction:** This purchase order shall be governed by the laws of the State of Arizona, including any statute of limitation laws but excluding rules of conflict of law. Exclusive jurisdiction and venue is agreed to by the state or federal courts within the State of Arizona.

13. **Waivers:** Waiver by either party of any breach of the terms and conditions contained herein shall not be construed as a waiver of any other or continuing breach.

14. **Assignment:** The rights and duties under the purchase order are not assignable or transferable by Buyer, in whole or in part, by operation of law or otherwise, without the express written consent of Seller. Any assignment or attempted assignment in contravention of the foregoing shall be null and void, shall be considered a breach of the purchase order and shall permit Seller, in addition to any other rights which it may have, to terminate the purchase order. Notwithstanding any other provision herein, the rights and duties under this purchase order may be assigned or transferred by Seller, in whole or in part, at Seller's sole discretion.

15. **Claims:** If claims or legal proceedings are asserted or instituted by Seller to enforce its rights or remedies hereunder or related hereto, Seller shall in addition be entitled to recover from Buyer all court costs, reasonable attorney's fees and expenses incurred by Seller incident to such.

16. **Loading and Transporting Conditions:** (a) **Right to Reject Transport Vehicles and Refuse to Load/Transfer Under Unsafe Conditions:** (i) Seller reserves the sole right to reject any rail cars, trucks, transports, barges, vessels or containers presented for loading which Seller reasonably believes would present an unsafe or potentially unsafe situation or condition; and (ii) Seller reserves the right, in its sole discretion, to refuse to load goods under any condition Seller deems unsafe, which is caused by, including but not limited to, drivers, personnel, equipment, procedures and/or weather conditions.

(b) **Compliance with Seller designated policies and procedures:** Buyer agrees that it, including its contractors, agents and employees will comply with all of Seller's safety regulations and rules when such contractor's agents or employees are on Seller's premises in connection with the performance of this purchase order.

(c) **Compliance with Hazardous Laws:** If and to the extent, Buyer loads, unloads or ships hazardous materials (as listed in the Tables of 49 C.F.R. 172.101 and 172.102 as amended from time to time) pursuant to this purchase order, Buyer hereby warrants that all hazardous materials shall be prepared for shipment, loaded, shipped and unloaded in compliance with all applicable federal, state, and local laws, rules and regulations regarding the handling and transportation of hazardous materials and Buyer shall indemnify and defend Seller from all liability, of whatever nature, to which Seller may become subject as a result of Buyer's failure to comply therewith.

(d) **Accident reporting and emergency response:** If a release occurs after the goods have left Seller's facility and as between Seller and Buyer, Buyer shall make all release notifications and reporting that are legally required and shall provide Seller with written notice of such release notifications and reporting with three business days of making such notifications and reporting. Further, as between Seller and Buyer, Buyer shall be responsible for and shall clean up all releases that occur after the goods have left the Seller's facility pursuant to applicable governmental standards and agency directives.

17. **Miscellaneous:** This purchase order constitutes the entire purchase order and contract of the parties and shall control over any other terms except that, to the limited extent that any separate writing of the parties - (i) relates expressly and directly hereto; (ii) is mutually executed by respective officers of Seller and Buyer; and (iii) is intended by the parties to replace or supersede rather than to supplement a specific portion of these sales terms, then such specific, replacing or superseding term shall control over the term hereof in question but not otherwise. Without limitation on Seller's rights, no terms in any other of Buyer's purchase orders or any other document, correspondence, or communication from Buyer which conflicts with the terms of this purchase order is, or shall be, accepted by Seller except in a separate written purchase order executed by an officer of Seller. Hearings are provided for convenience, and are not part of the purchase order of the parties. Seller's rights and remedies hereunder are in addition to, and not in lieu of, Seller's other rights and remedies.
