Portland cement concrete grinding is excluded from this quotation unless specifically quoted.

Removal of Asphalt Concrete over gutter damages can't be guaranteed by ABSL.

ABSL Construction will cold plane as close as possible to existing manholes, water valves, and other obstructions in cutting plane. Handwork and placing temporary asphalt tapers around these objects or at pavement edge for safety requirements are excluded.

Contractor to post streets with "No Parking" signs prior to subcontractor's phase of work, provide water or water meter and provide traffic control during cold planing operation.

All areas to be ground shall be clearly marked by the general or the job inspector.

A minimum of two weeks notice is requested prior to move in.

Anything not specifically included in this price should be considered excluded.

ABSL Construction does not accept backcharges due to machine breakdown during operation above the machine's daily rental fee.

Back charges will only be based on the time the machine is broken and will reflect the cost of the equipment for that time. All others costs due to the equipment breakdown will not be charged to ABSL Construction.

All teeth over one complete set will be charge to the contractor.

ABSL does not accept force account rates or retention.

This quotation will be part of our contract or purchase order agreement and is valid till a new change of the rates.

If you have any questions regarding the above quote please call me at (510) 727-0900 or fax at (510) 727-0912.

Sincerely,

**Daryl Vorne**

**GRINDING JOB AGREEMENT**

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

- 1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
- 2) Modification to the work may require a change in the quote.
- 3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
- 4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
- 5) All teeth over one complete set will be charge to the contractor.
- 6) Prices are good for 30 days from the date of this proposal, after that date the prices are subject to adjustment.
- 7) In the event there is an increase in the cost of fuel of more than \$0.50 per gallon during the performance of this contract, ABSL will be entitled to a \$75.00 per day fuel surcharge. The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at [www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp](http://www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp).
- 8) If ABSL cannot proceed with its work as scheduled due to others, standby time will be charged at the following rate: \$425.00 per hour.
- 9) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
- 10) This proposal to be attached and made part of any and all resulting contracts.
- 11) The above price does not include permits, fees, bonding, state or local taxes.
- 12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
- 13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
- 14) Backcharges to ABSL must be communicated by contractor in a written notice within 72 hours from the time of occurrence for backcharges.
- 15) Unless otherwise agreed to in writing prior to start of work, payment is due and payable within 30 days of billing, and no retention to be withheld on payments.
- 16) All utilities within mill grade are to be located and marked by customer. It is the sole responsibility of the lessee or renter (customer) to follow the requirements of the regional notification center law pursuant to Article 2 (Commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the California Government Code. Customer assumes sole responsibility for, and all subsequent liabilities coincident with following the requirements of the regional notification center law. Furthermore, customer agrees to be responsible for all damage to both utilities themselves and to our company's equipment by reason of ABSL equipment encountering unmarked utilities.
- 17) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

*Daryl Vorne*

**CLARIFICATIONS:**

1. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Super Seal & Stripe no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.
2. Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payment to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payment to Super Seal & Stripe. Full retention to be released no later than thirty, (30) days after completion of Super Seal & Stripe's work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.
3. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like, to be provided by others.
4. Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout, resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Super Seal & Stripe at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.
5. Super Seal & Stripe is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, Owner, Contractor, Vendors, Suppliers, other subcontractors and other factors not in direct control of Super Seal & Stripe. For the delays caused by the aforementioned, Super Seal & Stripe will be reimbursed for all direct and indirect costs plus a mark up of forty percent, (40%) or as specified and allowed by the Prime Contract if the delays are caused by the Owner. Super Seal & Stripe will be granted an extension of time to perform its work tantamount to the delays.
6. Super Seal & Stripe requires (15) days notice prior to commencement of any production activity. If any of Super Seal & Stripe's work will be a controlling operation on the critical path of this project, Super Seal & Stripe must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Super Seal & Stripe for this work.
7. All changes to the original scope of work proposed extra work must be directed by the Contractor in writing prior to Super Seal & Stripe performing this work.
8. For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Additional Move-in Charge as quoted herein.
9. Super Seal & Stripe must receive a letter of intent to award us the subcontract no later than (20) calendar days after bid date or this Subcontract Quotation becomes null and void.
10. Super Seal & Stripe is an Equal Opportunity and Affirmative Action employer, that adheres to laws & regulations of Executive order 11246 Sec. 503 as amended of Rehabilitation action 1973 as amended and 4211 (USC) Vietnam Veterans readjustment as amended.
11. If General Contractor or any of its sub-contractors work within Super Seal & Stripes traffic control, the expense will be shared accordinly at Super Seal & Stripe discretion. No advance posting, signing, or Portable CMS is included for Super Seal & Stripe Traffic Control.
12. Pre-Striping pavement preparation, including sweeping & curing compound removals, to be provided by others.
13. Any additional work in excess of the quantities price will be billed at the units. No discounts given for under-runs without prior approval of Super Seal & Stripe.
14. Upon acceptance of this proposal, all terms, conditions and exclusions on all pages of this proposal shall be incorporated into the contract as an addendum.

**THIS PROPOSAL EXCLUDES BOND COSTS.**

We charge 85 to deliver and 85 to pick up in the local LA, OC, Riverside, and San Bernardino counties. We charge an environmental fee on every invoice and it is calculated as 4% of the rental amount, we also charge a damage waiver that is 14% of the rental amount on each invoice unless we have a certificate of insurance from your company meeting our requirements, and finally, tax is charged and the rate is based on the city the equipment is delivered to. I have included our credit application and insurance requirements. Please feel free to call with any questions or concerns.

Good morning. I just left a voicemail for you regarding the following project we're bidding for Caltrans this afternoon. This project has approximately 400 hours of off-haul work for your end dumps during the course of this project – probably 4-5 trucks on the job at any given time.

If you can quote us, here's what I'll need:

- 1) Your hourly rate.
- 2) # of End Dump Trucks that you own.
- 3) Any inclusions or exclusions to your quote – i.e. charge port to port, etc.

**Owner:** Caltrans  
**Contract#:** 06-0N9604  
**Project Name:** Kern County In Bakersfield At Various Locations From Stine Canal To Airport Drive Undercrossing  
**06-Ker-204-5.4/6.7**  
**Description:** Clean and paint existing bridge structural steel and place HMA overlay  
**Days:** 285 Working Days  
**DBE Goal:** 9%  
**EE:** \$7,100,000  
**Est. Start:** 10/21/15

Thank you so much for your help! We look forward to hearing back from you.

Construction Contractor-  
Subcontractor Outreach Event  
October 5, 2010

Dear Contractor:

On behalf of the Business Outreach Committee (BOC), a consortium of Bay Area transit and transportation agencies with small disadvantaged business enterprise (DBE) programs, I invite you to join us on October 5, 2010, in the Atrium of the San Francisco Municipal Transportation Agency (SFMTA/MUNI), 1 South Van Ness Avenue, San Francisco, California, from 4 p.m. to 7 p.m. to hear about upcoming construction projects in and around the Bay Area and meet with prime contractors and agency personnel.

The Business Outreach Committee's mission is to assist disadvantaged business enterprises and other small and/or local companies with expansion of their businesses by developing relationships with transit agency staffs and the contracting community of the San Francisco Bay Area. This event will focus on helping the construction subcontracting community build effective relationships with primes, and facilitate the introduction and matchmaking of small and disadvantaged businesses with prime contractors who bid and perform on major transportation projects in Northern California. Don't miss this opportunity to meet key decision makers!

Enclosed is a registration form. Please RSVP by **October 1, 2010** to Gail Jackson via fax at (415) 257-4555 or e-mail at [GJackson@goldengate.org](mailto:GJackson@goldengate.org). For further information or questions, please contact her at (415) 257-4581. We hope you will join us for this worthy event.

Very truly yours,

**BUSINESS OUTREACH COMMITTEE**
