Re: 06-0N9604
Subject: Letter Dated September 24, 2015 received
On September 28, 2015

Dear Mr. McMillan,

Techno Coatings, Inc. received CalTrans letter dated September 24, 2015 received on September 28th and responds as follows:

1. TCI sent (9) Nine letters in response to CalTrans non-responsiveness bid finding for contract 06-0N9604.
2. TCI did contact Irene Beckham and explained that a sub bid put item 2 not bid item 4. TCI and Austin agreed to change the number only if approved by Caltrans. The change was for bid item number only. The work was always the same-Work area signs. The price for the work area signs never changed.
3. TCI's DBE Commitment letter was received by CalTrans on Friday, July 31, 2015 within the (4) four business days required.

TCI and Austin did not expand the Scope. The bid price by Austin reflected Construction Area Signs (bid item 4), therefore the change was consistent with the price Austin bid. TCI provided a responsive bid.

TCI requests CalTrans reconsider and award Contract No. 06-0N9604 to Techno Coatings Inc.

Sincerely,

Thomas Puett
