SUMMARY OF EFFORTS TO IDENTIFY DBE, MBE, AND WBE SUBCONTRACTOR'S

1. On 02/28/2014 @ 2:00 pm I Got onto the internet and visited the Small Business Administration website (www.sba.gov). I searched the site looking for a list of potential certified DBE, MBE, and WBE Subcontractor's. I found no such list on the SBA website so next I decided to try and find the contact information for the local SBA Assistance Office in the Fresno area. I searched all of the site pages and found the contact information for the local Fresno District SBA Office staff and printed it. I plan to call the Administration Office to find out whom I need to talk to about finding local potential minority Subcontractor's certified as a DBE, MBE, or WBE firm.
2. On 02/28/2014 @ 2:10 pm, I Visited the Minority Business Development Agency website (www.mbda.gov). I searched the site looking for a listing of potential Minority Subcontractor's or a way to search a database full of certified minority Subcontractor's however, was not able to find any sort of search or list on the site. I decided to try and find the contact information for any local MBDA Office that might be in the area. I found the look for location page and after entering our location a map came up with a few local office locations. I selected the closest office location and clicked on the Contact Information tab. I printed out the contact information for the local MBDA office site. I will use the contact information to call the local office to try and get further help on identifying Certified Minority Subcontractor's in our local area.
3. On 02/28/2014 @ 2:15 pm I went on to the Google search site online, and typed in "California DBE, MBE, and WBE Subcontractors" in the search bar. I then went through the top ten websites looking for any potential Minority Subcontractor's but I was not able to find any new contacts that I didn't already have on my Minority List.
4. On 02/28/2014 @ 2:22 pm I decided to go ahead and visit the California Department of Transportation website (www.dot.ca.gov). I started searching around the site looking for a list of potential minority subcontractor's. I found a reference to a list on the Business Enterprise Program page of the website. I clicked on the CalCert Database link and was taken to a page where I could run a search query for certified minority Subcontractor's. I began entering the pertinent information into the search form and ran multiple searches for minority subs. I was able to search and find the contact information for many qualified and certified local minority DBE, MBE, and WBE Subcontractor's. I printed the list containing the contact information for certified minority subcontractor's that I could solicit for an estimate. I will use this printed list to solicit to Subcontractor's in the area on the list that are capable of completing the scopes of work that we will be subcontracting out on this project.

Acceptance of this proposal by Contractor shall be acceptance of all terms and conditions recited herein which shall supersede any conflicting term in any other contract document. Any of the Contractor's terms and conditions in addition or different from this proposal are objected to and shall have no effect. Contractor's agreement herewith shall be evidenced by Contractor's signature hereon or by permitting Subcontractor to commence work for project.

Final payment shall be due 30 days after the work described in the Proposal is substantially completed. No provision of this agreement shall serve to void the Subcontractor's entitlement to payment for properly performed work or suitably stored materials or to require the Subcontractor to continue performance if timely payments are not made to Subcontractor for suitably performed work or stored materials or to void Subcontractor's right to file a lien or claim on its behalf in the event that any payment to Subcontractor is not timely made. **NO RETENION WILL BE HELD ON MATERIALS ON HAND**

2. The Contractor will withhold no more retention from the Subcontractor other than is being withheld by the Owner from the Contractor with respect to the Subcontractor's work.

4. No backcharges or claim of the Contractor for services shall be valid except by an agreement in writing by the Subcontractor before the work is executed, except in the case of the Subcontractor's failure to meet any requirement of the subcontract agreement. In such event, the Contractor shall notify the Subcontractor of such default, in writing, and allow the Subcontractor reasonable time to correct any deficiency before incurring any cost chargeable to the Subcontractor.

5. Contractor is to prepare all work areas so as to be acceptable for Subcontractor work under the Subcontract. Subcontractor will not be called upon to start work until sufficient areas are ready to insure continued work. The Contractor shall furnish all temporary site facilities including suitable storage space, hoisting, temporary electrical and water at no cost to Subcontractor.

6. Subcontractor shall be given a reasonable time in which to make delivery of materials and/or labor to commence and complete the performance of the contract. Subcontractor shall not be responsible for delays or defaults where occasioned by any causes of any kind and extend beyond its control, including but not limited to: delays caused by the owner, general contractor, architect and/or engineers, delays in transportation, shortage of raw materials, civil disorders, labor difficulties, vendor allocations, fires, floods, accidents and acts of God. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by others whose acts are not the Subcontractor's responsibility and to time extensions for unavoidable delays. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the subcontract agreement and no liquidated damages may be assessed against Subcontractor for more than the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.

7. The Subcontractor's equipment and work are guaranteed for a period of one year from the date of substantial completion or use by the Contractor or the Contractor's customer, whichever is earlier. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The exclusive remedy shall be that Subcontractor will replace or repair any part of its work which is found to be defective. Subcontractor shall not be responsible for damage or defect caused by abuse, modifications not executed by the Subcontractor, improper or insufficient maintenance, improper operation or normal wear, tear and usage.

8. Work called for herein is to be performed during Subcontractor's regular working hours. All work performed outside of such hours shall be charged for at rates or amounts agreed upon by the parties at the time overtime is authorized.

9. Contractor shall, if the Owner does not, purchase and maintain all risk insurance upon full value of the entire work and/or materials delivered to the jobsite, which shall include the interest of Subcontractor.
