Dear Mr. Collins:

The Department of Transportation (Caltrans) received a bid submitted by Jabre Contracting (Jabre) for Contract 06-0P6304 on April 10, 2013. By this letter, Caltrans notifies Jabre that its bid is nonresponsive because it failed to properly complete the Subcontractor List. Specifically, in Column 3 Jabre listed percentages that reflect the total amount of its bid rather than a percentage of the bid item subcontracted. Therefore the bid is inaccurate.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid."

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
