Dear Mr. Walker:

The Department of Transportation (Caltrans) received a letter dated November 4, 2014, from Griffith Company (Griffith) protesting the bid submitted by Desert Concepts Construction, Inc. (Desert Concepts). The protest alleges that Desert Concepts listed both Cal-Stripe and Veridico Group, Inc., to perform bid item 1, Lead Compliance Plan and as such must self perform this item.

Caltrans reviewed the bid documents and determined that Desert Concepts was not required to list a subcontractor for this item, on its Subcontractors List form. This service is not defined by the Business and Professional Code for that of a subcontractor and is not considered work subject to the Public Contract Code 4100 (et.seq).

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder provided that all requirements have been met.

If you have any questions, please contact Irene Beckham, Contract Awards Analyst, at (916) 227-6284.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".
