Dear Mr. Ripley,

The Department of Transportation (Caltrans) received the attached letter dated April 28, 2014, from Re Com Development Company (Re Com) protesting the Certified Disadvantaged Veterans Business Enterprise (DVBE) form submitted by Webb Brothers Construction Partnership (Webb). The protest alleges that Webb failed to meet the five percent (5%), DVBE goal for this project. Re Com requests Caltrans find Webb nonresponsive.

Caltrans did not complete an evaluation of this protest, since the bid submitted by Webb was found nonresponsive.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

John,

After review of the low bidder (Webb Brothers Construction) it has come to our attention that they failed to list a DVBE to meet the 5% goal as indicated in section 5-1.13C. We would appreciate verification of this situation or proof of their DVBE if listed, meets the "commercially useful function" as described in the mil&vet code 999.

Respectfully,

Mike Ripley
